

THOMAS PAYNE® RV DINETTE CUSHIONS

Thomas Payne dinette cushions are the upgrade your RV deserves, featuring premium materials that are not only durable and backed by a five-year hydrolysis warranty (PolyHyde only), but also effortless to install and clean.

SO EASY TO INSTALL / REMOVE, CLEAN-UP IS A CINCH!

Premium fabrics

Premium PolyHyde vinyl that is as soft as it is durable. They are also available in a woven fabric option that is great for traveling with kids and pets

Effortless install

Each dinette cushion is fitted with a velcro backing that keeps the cushion from shifting around while in use, and makes it incredibly easy to remove when necessary

Easy to clean

Because of the premium vinyl or woven fabric these are so easy to install and remove, and clean-up is a cinch! Pull the cushions out as needed, wipe them down and reinstall

4-inch-thick HD foam

For luxurious comfort in your dining / gaming / relaxation / gathering space, these RV cushions are made with 4" thick, high-density foam for undeniably comfortable seating

Additional Features

- Premium fabric and foam cushioning built for comfort and durability
- Easy-to-clean materials allows quick wipe-up as needed
- 4" thick high density foam for maximum comfort
- No installation - just remove the old and drop in the new
- Velcro backing keeps cushion fixed on the seat
- Three stylish PolyHyde® color options in Millbrae, Altoona and Grummond; one woven fabric option in Norlina
- Industry-first five-year hydrolysis warranty
- Includes four cushions to make a complete dinette set
