- High-grade polycarbonate housing is lightweight, always crystal clear, and impact resistant
- Full-sized 1 in. blade with 2-sided, horizontal and vertical, high contrast printing and double-sided end hook for measuring from any angle
- High accuracy SAE measurements with fractional numbers every 1/8 in. and markings to 1/32, ensure fast, easy reading
- Spring-assisted blade stop cushions hook as it retracts into case, preventing damage to the anchor rivets
- Auto-retracting blade glides smoothly both in and out thanks to the high-carbon, heat-treated, rewind spring
- Easy to operate thumb lock secures blade tightly until it is released to retract the tape
- Stamped steel belt clip holds tape measure securely to your pocket, belt, or tool bag whether you are in the shop or on the go
- Built-in lanyard anchor post with wrist strap included
