

Directions for Use

Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with a clean, dry cloth. The gloss is renewed and will be retained. The cleaning process is simple. No rubbing is required. Contains no acid or abrasive substances. Will not leave a powdery residue. Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons.

Cleans, polishes and protects stainless steel without hard rubbing and polishing. Resists finger prints, grease and water spatter. Helps preserve the factory finish. Use on all types of stainless steel window frames, trims, doors, corridor guards, kick plates, autoclaves, dishwashers, refrigerators, freezers, sterilizers, etc. Also excellent for chrome.
