

FURRION

Aurora® Full-Sun Pro Series 4K UHD LED Outdoor Smart TV for Commercial & Residential Spaces

Designed for the ultimate outdoor entertainment experience, the Furrion Aurora Full-Sun Pro Series 4K UHD LED outdoor smart TV for commercial and residential spaces can be installed in direct sunlight.

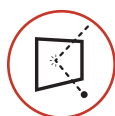

FURRION

Built for the Outdoors

Specifically designed for direct sun commercial and residential use, the Furrion Aurora Full-Sun Pro Series 4K UHD LED outdoor smart TV takes the entertainment outdoors! This outdoor television features a weatherproof TV housing that protects the internal components and delivers IP66-rated protection. The screen delivers a stunningly clear picture at 2,500-nit brightness and features HDR10+ for vivid colors and deep, rich contrast. It also features an XtremeShield IK09-rated impact-resistant screen to protect against impacts and scratches and is rated to withstand extreme operating temperatures from -24° to 140°F (-31°C to 60°C) and storage humidity of 0% to 90%.

Anti-glare, 2,500-nit LED screen for a clearer, brighter picture

XtremeShield™ IK-09-rated impact-resistant screen for protection against collisions and scratches

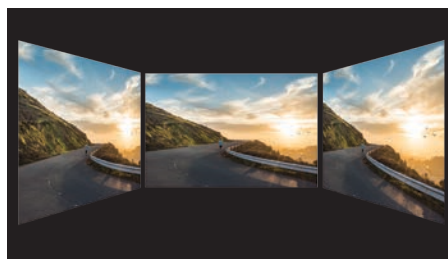

RangeXtend™ WiFi-boosting external antenna for a stronger signal
