

HI-VIZ

# HEAVY DUTY

## LEATHER HAND PROTECTION

The Hi-Viz Heavy Duty work glove is your first line of defense against impact, abrasion and hand fatigue on the job. ANSI-107 compliant fluorescent materials make you more conspicuous in hazardous work environments and reflective ink provides eye-catching luminance. The palm features machine washable leather, multi-zone padding with XRD® performance cushioning and leather reinforced fingertips where you need it most. High-visibility Thermoplastic Rubber (TPR) impact protection disperses damaging blows to the top of your hand and extends to the tip of each finger for critical pinch-point finger protection when operating heavy equipment.

### IMPACT PROTECTION

Full-coverage impact and pinch-point fingertip protection.

### FULL LEATHER PALM

Genuine leather palm conceals XRD® palm padding.
