

TASKI[®] vacumat^{™/MC} 44 T

Cord electric 12-gallon (44-l) wet/dry vacuum cleaner

The TASKI[®] vacumat^{™/MC} 44 T is a large, corded, electric-powered wet/dry vacuum cleaner featuring a fixomat squeegee for efficient water pick-up and streak-free drying.

Features & Benefits

- For cleaning of spills, small areas or other specific customer needs, the machine can be equipped with a variety of wet cleaning accessories.
- The machine's adjustable handle ensures comfort and ergonomics during operation.
- The machine's tilt system and comfortable handle grip on the container makes emptying the container ergonomic and easy.
- A specially designed mechanical float system with a dual filter guarantees double protection of the motor unit and significantly prolongs service life.
- Resistant to alkaline and acidic cleaning solutions, the stainless steel tank and robust steel trolley with rubber wheels ensure high durability.
- Medium and large areas can be cleaned up to three times faster compared to conventional wet/dry vacuuming methods.

Applications

- Can be used in combination with a TASKI single disc machine for basic cleaning tasks such as stripping or wet scrubbing.
- A truly multi-functional machine that can be used for any type of dry vacuuming on hard and soft floors.
