

myfresh 2.0

THE restroom stall air freshener

Designed for the restroom stall

Designed specifically for one-toilet restrooms and individual restroom stalls, **myfresh 2.0** puts fragrance where you need it for 30 days.

Tech Specs

Motion-activated	More hygienic - no need to touch the community aerosol can
Easy Open	Push button for quick and easy replacement
Two Frequency Settings	"Hi" and "Lo" settings allow adjustment of fan activation frequency
Eco-Friendly	Refills are 100% recyclable
One AA Battery Required	Each refill lasts 30 days and comes with a new battery
Flashing Light	Red: Replace refill & battery Green: Fan is running

Recommended Installation:

Near the toilet paper dispenser or menstrual product disposal bin. Best results when placed within 3 feet of the users upper body.
