

- For babies 4-30 pounds and up to 32" tall (Actual fit may vary. Not all children will comfortably fit in the seat for the full weight and height ranges listed).
- Infant inserts for proper fit of babies as small as 4 pounds
- Anti-rotation stability leg provides an additional level of safety during a crash by reducing movement for maximum head and neck protection
- Plush, premium soft goods provide extra cushioning, with cozy head and neck support, soft body pillows and cushiony seat pad
- Air Protect® Superior Side Impact Protection
- Contoured handle with soft grip curves around your hip for a more comfortable carry
