

ConvoCare C

ConvoCare C is used as a neutralizing acidic rinse additive. It has been specially formulated for use in ovens with automatic cleaning programs.

Features

- Closed dispensing system capable of feeding two stacked ovens
- Suitable for use in hard water due to scale control agents
- Sustainable packaging

Benefits

- Quick drying
- Gives streak-free, spot-free and shiny results
- No contact with concentrated chemical
- No cross contamination

Applications

- Automatically dispensed to oven
- Designed for use in combination with ConvoClean new detergent

ConvoCare C

Use Directions

ConvoCare C is dosed automatically into the oven. Please refer to the combi-steam oven's operating manual for information about cleaning and water quality.
