

Drop-In Bathtub

INSTALLATION INSTRUCTIONS

PRIOR TO INSTALLATION:

- Inspect product to ensure no damages have occurred while in shipping.
- Observe all plumbing and building codes in accordance with your state and local requirements.
- All dimensions are nominal! Be sure to measure your bathtub prior to installation.
- The step-by-step guidelines in the installation instructions are a general reference. Should there be any discrepancies, Swiss Madison cannot be held liable. It is recommended to install all Swiss Madison products by hiring a licensed professional.
- Read installation and maintenance instructions thoroughly before installing. Be sure to use proper tools and always wear proper personal safety accessories for your protection.
- Two people are recommended to handle and install this product as it is fragile.
- Make sure all wood studs and supports are properly installed.
- Verify all the necessary plumbing is installed by a certified plumber.
- Floor drain and trap are not included.

SUGGESTED TOOLS & MATERIALS:

Safety Glasses

Tape Measure

Square

Caulk Gun

Level

Sealant

Adhesive

Drop Cloth

Utility Knife

1 Construct Frame

- Build framing according to the size of your tub.
- When building frame, keep in mind access to drain connections and faucet location, an access panel may be needed depending on location.
- A mixing valve may be required, check with your local plumbing codes.

2 Rough-In

- Rough plumbing must be installed before installing the bathtub.
- Floor and drain trap are not included, make sure to install according to local and legal regulations.
- Do not connect drain to plumbing yet.

3 Lay Plastic Film

- Lay plastic film on sub floors to prevent water from being absorbed.
- Depending on drain location (right or left), a 6" x 12" rough opening should be cut in the floor for later hookup.

4 Drop Tub into Frame

- If tile or stone is to go on deck surface, this must be done before installing bathtub, consult with a professional if necessary.
- Carefully lift the bathtub and slowly drop into place.
- Ensure tub is level on all sides. Check everything thoroughly and adjust as needed.

5 Fill Gaps

- Once bathtub is ready to install it is recommended to fill any gaps between the bathtub and the floor (use struct-o-lite or a bed of mortar) .
- Do not overfill the gap, this will make the bath tub fit improperly in the deck.

6 Connect Plumbing

- Install waste and overflow to drain assembly.
- Connect 1 1/2" trap below floor.
- Install the faucet (not included) according to manufacturer's instructions and check for leaks.

7 Seal

- Once all connections are made it is recommended to seal the bathtub to the deck.
- Apply a bead of sealant and wipe away excess.
- Place drop cloth in bathtub and stand inside bathtub to press it into floor when securing to wall studs.

Drop-In Bathtub

USE & CARE INSTRUCTIONS

CARE AND MAINTENANCE

- It is recommended to wash the bathtub frequently.
- Please clean only use warm soapy water and then dry with a soft cloth.
- Do not use wire brushes, detergents, abrasives and other supplies to clean, to prevent abrasion on the surface of the bathtub.
- Do not use hard or sharp objects to scratch the surface of the bathtub.
- Pay attention to avoid collision.
- It is recommended to use wax to maintain the bathtub every six months.

ONE-YEAR LIMITED WARRANTY

Swiss Madison® products are made with quality materials and excellent craftsmanship to provide our customers with beautiful, durable, long-lasting products. Should there be any defects in materials or craftsmanship under regular use that are discovered within the first year after delivery, Swiss Madison® will provide replacement parts at no charge, or at its discretion, replace any product or part of the product that is deemed defective, under normal installation, use, service or maintenance. This warranty applies only to the original purchaser. Proof of purchase must be submitted with any warranty claim.

Swiss Madison® recommends that all installations of Swiss Madison® products to be conducted by a licensed plumber or contractor. Swiss Madison® will not be held responsible for any damage or product failure due to improper installation, misuse, or failure to utilize a licensed plumber or contractor for installation. Swiss Madison® is not responsible for any installation or removal costs.

THIS ONE-YEAR LIMITED WARRANTY WILL BE VOIDED IF:

- The installation instructions were not followed by the installer
- The product has been moved from its initial place of installation
- The product has in any way been modified from its original condition
- The product has been subjected to improper maintenance, abuse, misuse, excessive use of chemicals, accidents, or other damages

Swiss Madison® makes no warranty that its products comply with any local building or plumbing codes. It is the consumer's responsibility and obligation to determine local code compliance prior to and during installation.

Swiss Madison® is not responsible for any special, incidental or consequential damages associated with the installation, replacement, return or use of the original purchaser's product. This includes, but is not limited to: freight costs, labor, travel time, lost profit, home damages and other contingent liabilities and costs (including, without limitation, costs associated with 'professionals' or 'experts', investigations, audits, analyses, attorneys and any other professional/hired services). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The Swiss Madison® warranty is a comprehensive and explicit limit of liability. All other warranties are hereby disclaimed and waived.
