OUTDOOR LIVING

CARE INSTRUCTIONS

Cleaning and maintenance:

- Regular cleaning: clean the furniture regularly with a damp cloth or sponge to remove dirt, dust and other deposits.
- Deeper cleaning: use mild soapy water or a fabric-friendly cleaner for the removable cushions. Avoid harsh chemicals that might harm the metal or synthetic wicker.
- Wipe dry if exposed to chlorine.
- Spot test to ensure the cleaning agents do not cause any damage to the product.
- Avoid sharp tools. Do not use hard brushes or sharp tools in order to prevent scratches or holes in the fabric.
- Cushion care: remove or cover the cushions during heavy rain or when not in use to prevent them from getting soaked.

Storage:

- To prolong the life of your outdoor furniture, we recommend using furniture covers when not in use.
- During winter and inclement weather, store furniture indoors if possible, otherwise cover the furniture when not in use.

Usage:

- Use furniture on a solid and level surface to minimize prolonged exposure to uneven or damp ground.
- Periodically check for any loose bolts and tighten as needed.
