

ANSWER KEY

WRIST

HAND

QUESTION

1. The diagram shows a hand holding a pen. The hand is divided into several parts. Which part of the hand is the most important for writing?

ANSWER

The most important part of the hand for writing is the fingers, specifically the index finger and the middle finger. These fingers are responsible for gripping the pen and controlling the direction of the stroke.

QUESTION

2. The diagram shows a hand holding a pen. The hand is divided into several parts. Which part of the hand is the most important for writing?

ANSWER

The most important part of the hand for writing is the fingers, specifically the index finger and the middle finger. These fingers are responsible for gripping the pen and controlling the direction of the stroke.
