REPLACEMENT PARTS

MODEL NO.	DESCRIPTION
RA-017	Mounting Hardware Kit

RECOMMENDED TOOLS AND MATERIALS

2 Affix your mounting hardware to the wall using your mounting screws. For plaster walls 1/2" thick or less, insert toggle tool into toggle anchor to secure behind wall prior to installing accessory trim.

353-SD2 Only:

3 After securing your mounting hardware to the wall, place the mounting end of your accessory onto the mounting hardware as is shown in the picture above. Affix your accessory to the mounting hardware using the Allen wrench that shipped with the product.

■ All specifications subject to change without prior notice.

IMPORTANT CLEANING INSTRUCTIONS

- To ensure that your Symmons product will continue to look as beautiful as the day it was installed, please follow these simple cleaning instructions.
 - To clean the finish on your Symmons product, rinse with clean water, wipe with a soft damp cloth and blot dry with a soft cotton cloth or towel.
 - If heavy cleaning is required start by cleaning as described in Step 1. Use a mild liquid soap or liquid glass cleaner to remove any remaining surface buildup. Rinse product with clean water to remove any remaining cleaning solution and blot dry with a soft cotton cloth or towel.
- Do not use cleaning products containing abrasives, acids, alcohol, bleach or foaming compounds. If any unintentional splashing or overspray of these types of cleaning products comes in contact with your Symmons product, immediately rinse it with clean water and blot dry with a clean soft cotton cloth or towel.
