

GREAT FOR 1 OR MORE PLAYERS.

INCLUDES

30 cards depicting the written number, drawn number and pattern representing the number quantity. Cards coordinate with numbers 0 - 9; 3 cards for each number.

FOR INDIVIDUAL PLAY

Match the written numbers, drawings and patterns or practice number sequences.

FOR MULTIPLE PLAYERS

Turn it into a competitive game of Memory!

SETUP

Lay all cards face down in orderly rows - a 5 card x 6 card formation.

HOW TO PLAY

- Decide who plays first.
- On your turn, flip any 3 cards over.
- If the number description on all 3 cards matches, collect the matched cards and go again.
- If no match is found, put the cards face down in the same place and the next player takes their turn.
- The game continues until all possible matches have been made and those cards have been removed from the playing area.
- The player with the most matches at the end wins.
