

TACKLE REPAIRS ON THE WATER

Made for boat owners

Specifically curated for boaters, the Lippert boat tool kit has everything a boat owner might need to repair, replace and restore their parts and components without a trip to the hardware store

Essential kit

Get yourself out of a pickle without calling a technician. This tool kit is equipped with everything you need to make DIY repairs on the go

Variety of tools

Whether you need to cut back electrical wires or replace a drain plug, this selection of tools and assorted parts will be able to assist you with a variety of different applications

Tool bag included

Unlike competitor brands, we include our tool bag in this essential kit so that you can conveniently store and transport all your quick fix essentials with total ease

Additional Features

- Marine tool kit for any new or experienced boat owner
- Assorted marine essentials for emergency repairs and routine maintenance
- Convenient soft shell carrying case
- Cost-effective, boat specific bundle
