- Well-designed high-pressure coupler delivers lubrication, forcing it into bearings and joints
- Widely used by mechanics, engineers, maintenance crews, and home hobbyists
- Simply turn the knurled swivel handle with a finger, you can lock on or release grease fittings in seconds
- Four hardened spring steel jaws and a high-quality sealing gasket provide a leak-proof connection
- Made of high-quality chrome vanadium steel, strong durable, and rust-resistant
- 2-1/2 in. extended reach works well with recessed and all SAE and Metric Zerk fittings
- 1/8-NPT female thread, 12,000psi capacity, 14mm diameter
