

ORB13

ORBITAL Cordless Scrubber

HILLYARD

The Cleaning Resource®

 **TRIDENT®**

Better Built. Better Equipment.

Versatile - Agile - Efficient

Built for Today's Cleaning Challenges

The ORB13 can reach any corner, in any environment, and clean all types of floors. Powered by a 36V lithium battery, for cordless - go anywhere - cleaning, the ORB13 delivers mechanical cleaning to surfaces typically out of reach for traditional cleaning equipment. It's orbital action delivers extraordinary results with very little effort. And, with its low clearance, there is no surface that is off limits.

Intelligent Design

Exceptional Engineering

Innovative Technology

Go Cordless!

Always Ready To Use

No self-discharge, it is always ready when you need it. No memory effect, recharge the battery whenever you want.

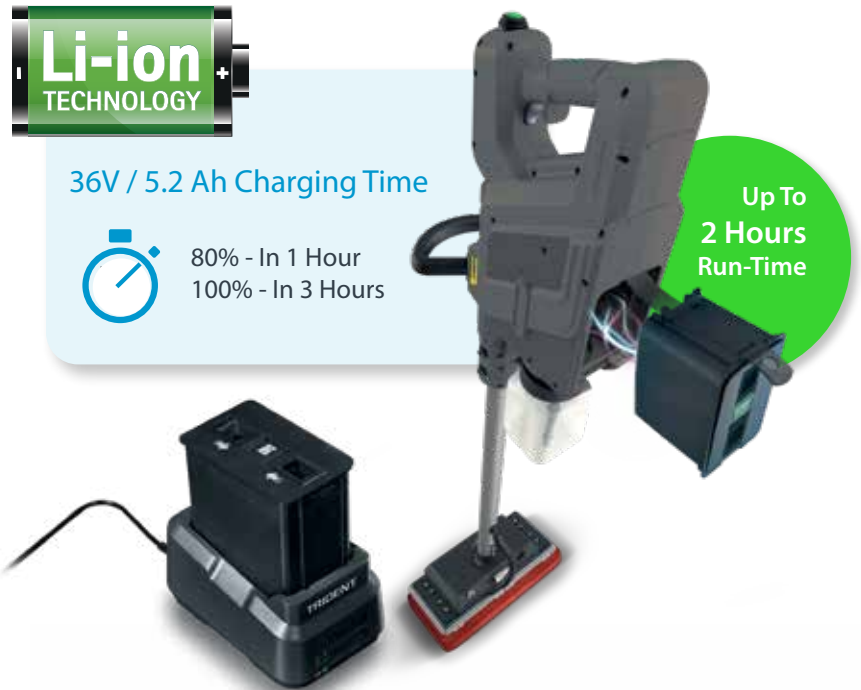

Fast Charge

Use the ORB13 several times in a single day.

High Discharge/Charge Cycle Lifespan

Handy Battery Charger

Recharge anywhere, without wasting time.

Orbital Technology Delivers Results

Deep, Fast, and Efficient Cleaning

3,800 oscillations per minute delivers deep, fast, and efficient cleaning, minimizing any manual scrubbing effort by the operator. The micro-movements of the oscillating head, with an attached floor pad, combined with a Hillyard cleaning solution unlock soil from the surface. The result is a clean surface with minimal effort.

Double the Capacity

Replace the 1 liter tank with the optional 2 liter backpack to deliver even more uninterrupted cleaning.
