# Give your products a lift

Shoppers have never seen more variety on store shelves than they do today. This can be a challenge for product managers looking to make their brand stand out. So, how about a new approach?

Introducing 3M™ Carry Handles: a simple way to add a little convenience to your customers' experience. Whether they're applied to your products simply for easier transport, or used to create appealing combo pack deals, 3M™ Carry Handles give your products the extra POP they need to be competitive and build your brand.

# 3M

# The more convenient carry

## Incredibly convenient

3M™ Carry Handles instantly transform products that were once difficult to carry into travel-friendly packages your customers can easily transport with one hand.

## Fully customizable

Featuring carrying capacities ranging from 10 to 50 lbs, 3M™ Carry Handles are fully customizable with a variety of lengths, widths and full branding capabilities. This allows you to maximize your brand presence and gives you a competitive edge that can help move your products from the shelf to your customers' cart.

## Simple to apply

No matter the size or scope of your manufacturing capabilities, 3M™ Carry Handles are easy to apply—either by hand or high-speed automated applicators. 3M representatives will work with you to find the process and equipment that delivers the best results for your operation.
