

INSTRUCTIONS

The Winco Automatic Air Freshener Dispenser will keep any hotel, restaurant, office and washroom consistently smelling fresh throughout the day and night.

FEATURES:

1. LED light display
2. Programmable automatic dispensing intervals of 5, 10, 15 or 30 minutes
3. 3 operation settings of day, night or 24 hours

INSTRUCTIONS:

1. Make sure the unit switch is "OFF" before opening cover
2. To open cover, push button down and slightly lift cover and pull
3. Insert 2 "D" batteries into unit
4. Set spraying time interval to 5, 10, 15 or 30 minutes
5. Set operation mode to DAY, NIGHT or 24HR
6. Put in fragrance container and close cover
7. Set unit away from body and face before switching it "ON"

IMPORTANT NOTES:

1. For best results, it is recommended to place unit on a tall piece of furniture or mounted high on a wall
2. Make sure unit is set away from any heat or fire

Do not place unit in front of face when it is "ON"
