

AIR PURIFYING FILTERS CARBON FILTER

USER MANUAL

FOR MODEL:
1PAPUV27CF

Please read these instructions carefully before installing the filter and operating your air purifier.

INSTALLATION

- ❶ Take off the back cover.

- ❷ Remove the filter and the protective covering on the filter.

- ❸ Inset the filter into the unit and consult the filter for correct installation direction.

- ❹ Reattach the back cover of the unit.

OPERATING INSTRUCTIONS

Filter life time

Filter life depends on many factors. Our recommended replacement timing is a guide only and can be longer or shorter depending upon your environment.

WARNING: Risk of electric shock

These servicing instructions are for use by qualified personnel only. To reduce the risk of electric shock, do not perform any servicing other than that contained in the operating instructions unless you are qualified to do so!

Correct placement

In order to achieve better cleaning effect and avoid the influence of metal shielding effect on communication, please ensure that the air purifier is more than 12 inch away from the wall and other obstructions when using it, and maintain a distance of more than 20 inch from the metal/appliance.
