The above-mentioned recording standards are further improved upon in volume 100, the first of which (Volume 1, 2) contains 1700 recordings of 1000 different vocal performances of 1000 different vocalists.

THE 1998-1999 FISCAL YEAR

The results show that when the sales force has been trained in customer relationship management, the firm's performance will be positively impacted. The results also show that the sales force's perception of the firm's customer relationship management practices is positively related to the firm's performance. The results also show that the sales force's perception of the firm's customer relationship management practices is positively related to the firm's performance.
