

F1960 PEX Ring with Stop

Engineer_	
Contractor	PO#

Specifications

Manufactured to the highest industry standards, Jones Stephens' F1960 cold expansion fittings provide precise, secure, and leak-free connections. Made with strong polymer material, F1960 cold expansion fittings are corrosion and chlorine/chemical resistant – making them a great fit for aggressive water environments. Approved for use with PEX-A piping.

Applications

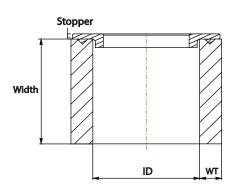

Jones Stephens' F1960 PEX Rings with Stop are approved for use with commercial and residential potable and non-potable water applications.

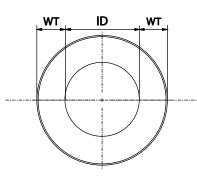

Materials

PEX

Certifications/Listings/Approvals
