Powerful Peace of Mind

Gentle enough to disinfect and clean a neonatal isolette, yet tough enough to kill fast-spreading pathogens like MRSA and Norovirus

PURELL® Healthcare Surface Disinfectant features the EPA's lowest allowable toxicity rating. Developed to be mild around staff and patients, the patented fragrance-free formulation disinfects and cleans without harsh chemical fumes. With no strong or lingering odors of bleaches and hydrogen peroxides, it is ideal for use around sensitive patients to provide a better overall caregiving experience.

NO BLEACH

NO HARSH FUMES

NO HANDWASHING REQUIRED

A patented 1-step disinfectant and cleaner, that also sanitizes soft surfaces

The multi-surface formulation was designed to work with your current disinfecting and cleaning processes. Rapid kill and dry times mean that by the time the product dries, the germs have been killed, making it possible to turn over a room more quickly.

Effective hard surface disinfecting and soft surface sanitizing such as:

- plastics
- metals
- granite
- sealed wood
- porcelain
- laminate
- upholstery
- vinyl

No competitor can match the PURELL® brand's high standards for performance, people, and the planet.
