

8" E-Z STROKE METAL CUTTING SAW

- Bi-metal blade cuts metals (iron, copper, brass, aluminum, and other metals)
- Blade design cuts on pull-stroke for fast accurate cutting action with much less effort
- Use to cut off closet bolts, copper tubing, brass tubular, iron pipe and much more
- Replacement blade available to fit orange comfort control handle
- Strong, thin, flexible blade for less resistance while cutting material
- Lightweight and durable
