Continental CEFL32FH-1 Linear Electric Fireplace

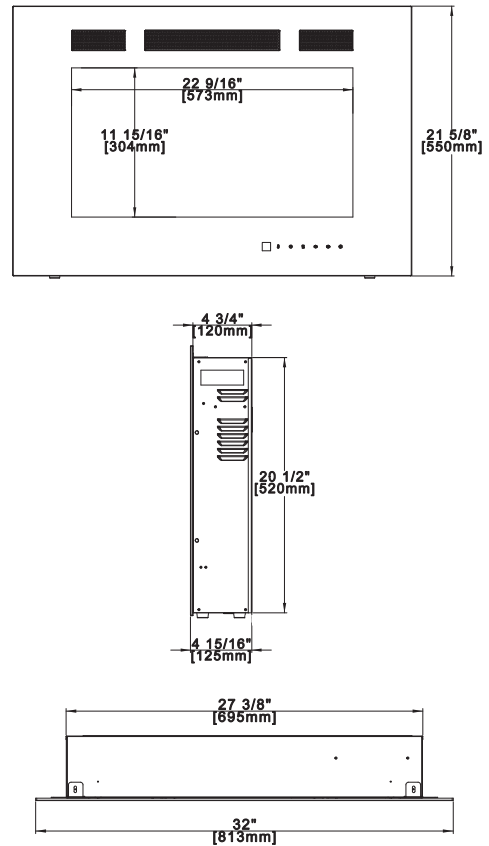

Effortlessly heat large spaces with the CEFL32FH-1 Continental Wall Hanging Electric Fireplace. Simply hang this fireplace like a piece of art using the integrated bracket, plug it in, and you are ready to use it. You can adjust the flame intensity, flame color, blower, heat output, and set the timer. The slim depth, glass ember bed and beautiful flames of this electric fireplace will add a stylish ambiance to any home or office without intruding into the space.

Competitive Advantages

- High Power LED lights are low maintenance and provide day or night intensity
- Ultra slim design
- Can be fully recessed into the wall for a flush appearance or easily hung on the wall with the mounting bracket

Features and Benefits

- Simply plugs into a 120V wall outlet
- Suitable for any room including bedrooms, sitting rooms and mobile homes
- Paintable cord cover included (covers cord and can be painted to blend in with existing décor)
- Glass ember bed accents the flame
- Flame choice of blue or orange and a mixture in-between
- Convenient remote control (controls flame intensity, flame color option, blower, heat output and timer)
- Up to 5,000 BTU's
- Viewing area: 22 9/16"W x 12"H
- 1,500 Watts
