

V12/155

SINGLE MOTOR VACUUM

HILLYARD

The Cleaning Resource®

 **TRIDENT®**

Better Built. Better Equipment.

Better Built. Better Equipment.

The Trident V12/155 single motor vacuum combines intelligent design, exceptional engineering, and innovative technology to deliver unmatched reliability, performance, and ease of maintenance. Its lightweight handle ensures comfortable operation, even during extended use. Powered by a robust 1,200-watt motor, it effortlessly removes dirt from carpets. Built for durability and efficiency, it's the ideal solution for professional cleaners.

Intelligent Design

- Ultra-light handle weight allows for strain-free operation.
- Flat-to-floor design delivers easy cleaning under beds and furniture.
- Easily remove the brush without any tools.
- Detail cleaning tools are cleverly located on the back of the machine.

Exceptional Engineering

- The vacuum features built-in safeguards to prevent misuse. If a bag is missing or the filter is not properly in place, the door will remain open, and the machine will not operate.
- Standard, high-efficiency filter traps up 99.6% of particles at 0.3 microns. Optional HEPA filtration available.

Innovative Technology

- Indicator lights provide alerts for a full vacuum bag, necessary brush height adjustments, or a brush jam. If these warnings are ignored, the machine will automatically shut down to protect both the operator and the equipment from potential damage.

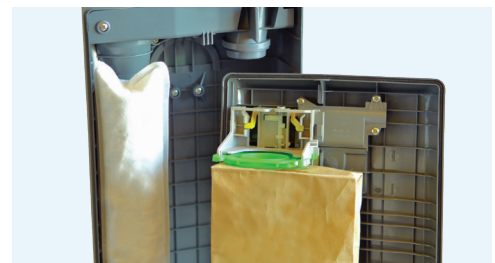

Flat-to-Floor for Easy Cleaning

Easy Brush Removal - No Tools

Indicator Lights

High-Efficiency Filters

		V12S	V15S
