1. I am a student at the University of California, Berkeley. I am currently a graduate student in the Department of Psychology. I am interested in the study of human memory and learning. I have completed my undergraduate thesis on the effects of sleep deprivation on memory recall. I am currently working on my master's thesis on the role of the hippocampus in spatial navigation. I am also interested in the application of cognitive psychology to education and the development of effective teaching strategies. I have published several papers in the field of memory and learning. I am currently a member of the American Psychological Association and the Society for Experimental Psychology. I am also a member of the Berkeley Psychology Club. I am currently a teaching assistant for the course "Introduction to Psychology" at the University of California, Berkeley. I am also a member of the Berkeley Psychology Club. I am currently a member of the Berkeley Psychology Club. I am currently a member of the Berkeley Psychology Club.
