

### SNIM155PSS

Enjoy the soft and chewable ice you crave with the Sapphire 15" Series 5 Undercounter Ice Machine. This nugget ice maker machine produces up to 80 pounds of pellet ice cubes per day, and the bin stores 30 lbs. of ice cubes, ensuring you always have the good ice on hand for entertaining or adding to drinks, cocktails, smoothies and more. The integrated water filter system removes any impurities, producing the purest ice, and the included ice scoop makes scooping and serving easy. With its stainless steel exterior and our signature Sapphire blue interior illuminated by a flush mounted LED light, this nugget ice machine will complement any space in your home. This stainless steel model includes a 26" long, 1" diameter stainless steel handle with faceted standoffs. Additional feature of Quiet mode gives you the ability to suspend ice production during specific times of the day. Designed to install like a cabinet the Sapphire Series 5 Nugget Ice Machine comes with 2 articulating concealed self-closing hinges with built-in door stops produce a premium experience. Whether for daily use or entertaining guests, this nugget ice maker is a valuable addition to your kitchen or commercial space. Covered by the Sapphire Two-Year Parts & On-Site Labor and Five-Year Compressor Parts Only Limited Warranty for installation in either commercial or residential applications.
