## Pack contents

Please check you have all the parts before beginning assembly.

A×1	B×1	C×2	D×1	E×3	G×6
				F×2	H×2
					I×1

## Fitting instructions

Assemble as per the diagram below.

## WARNING!

Max loading weight 1kgs×6

The fittings pack contains small items which should be kept away from young children

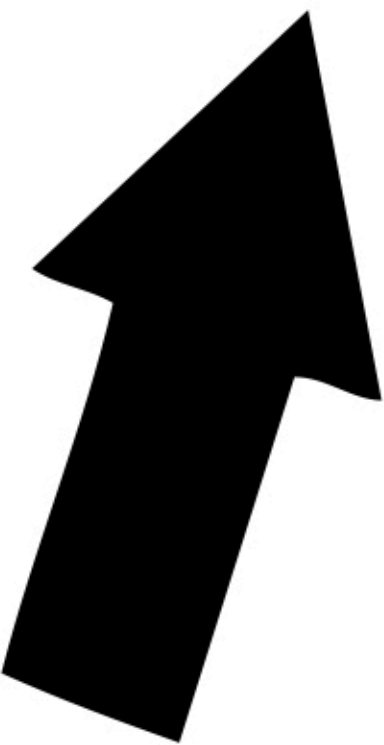

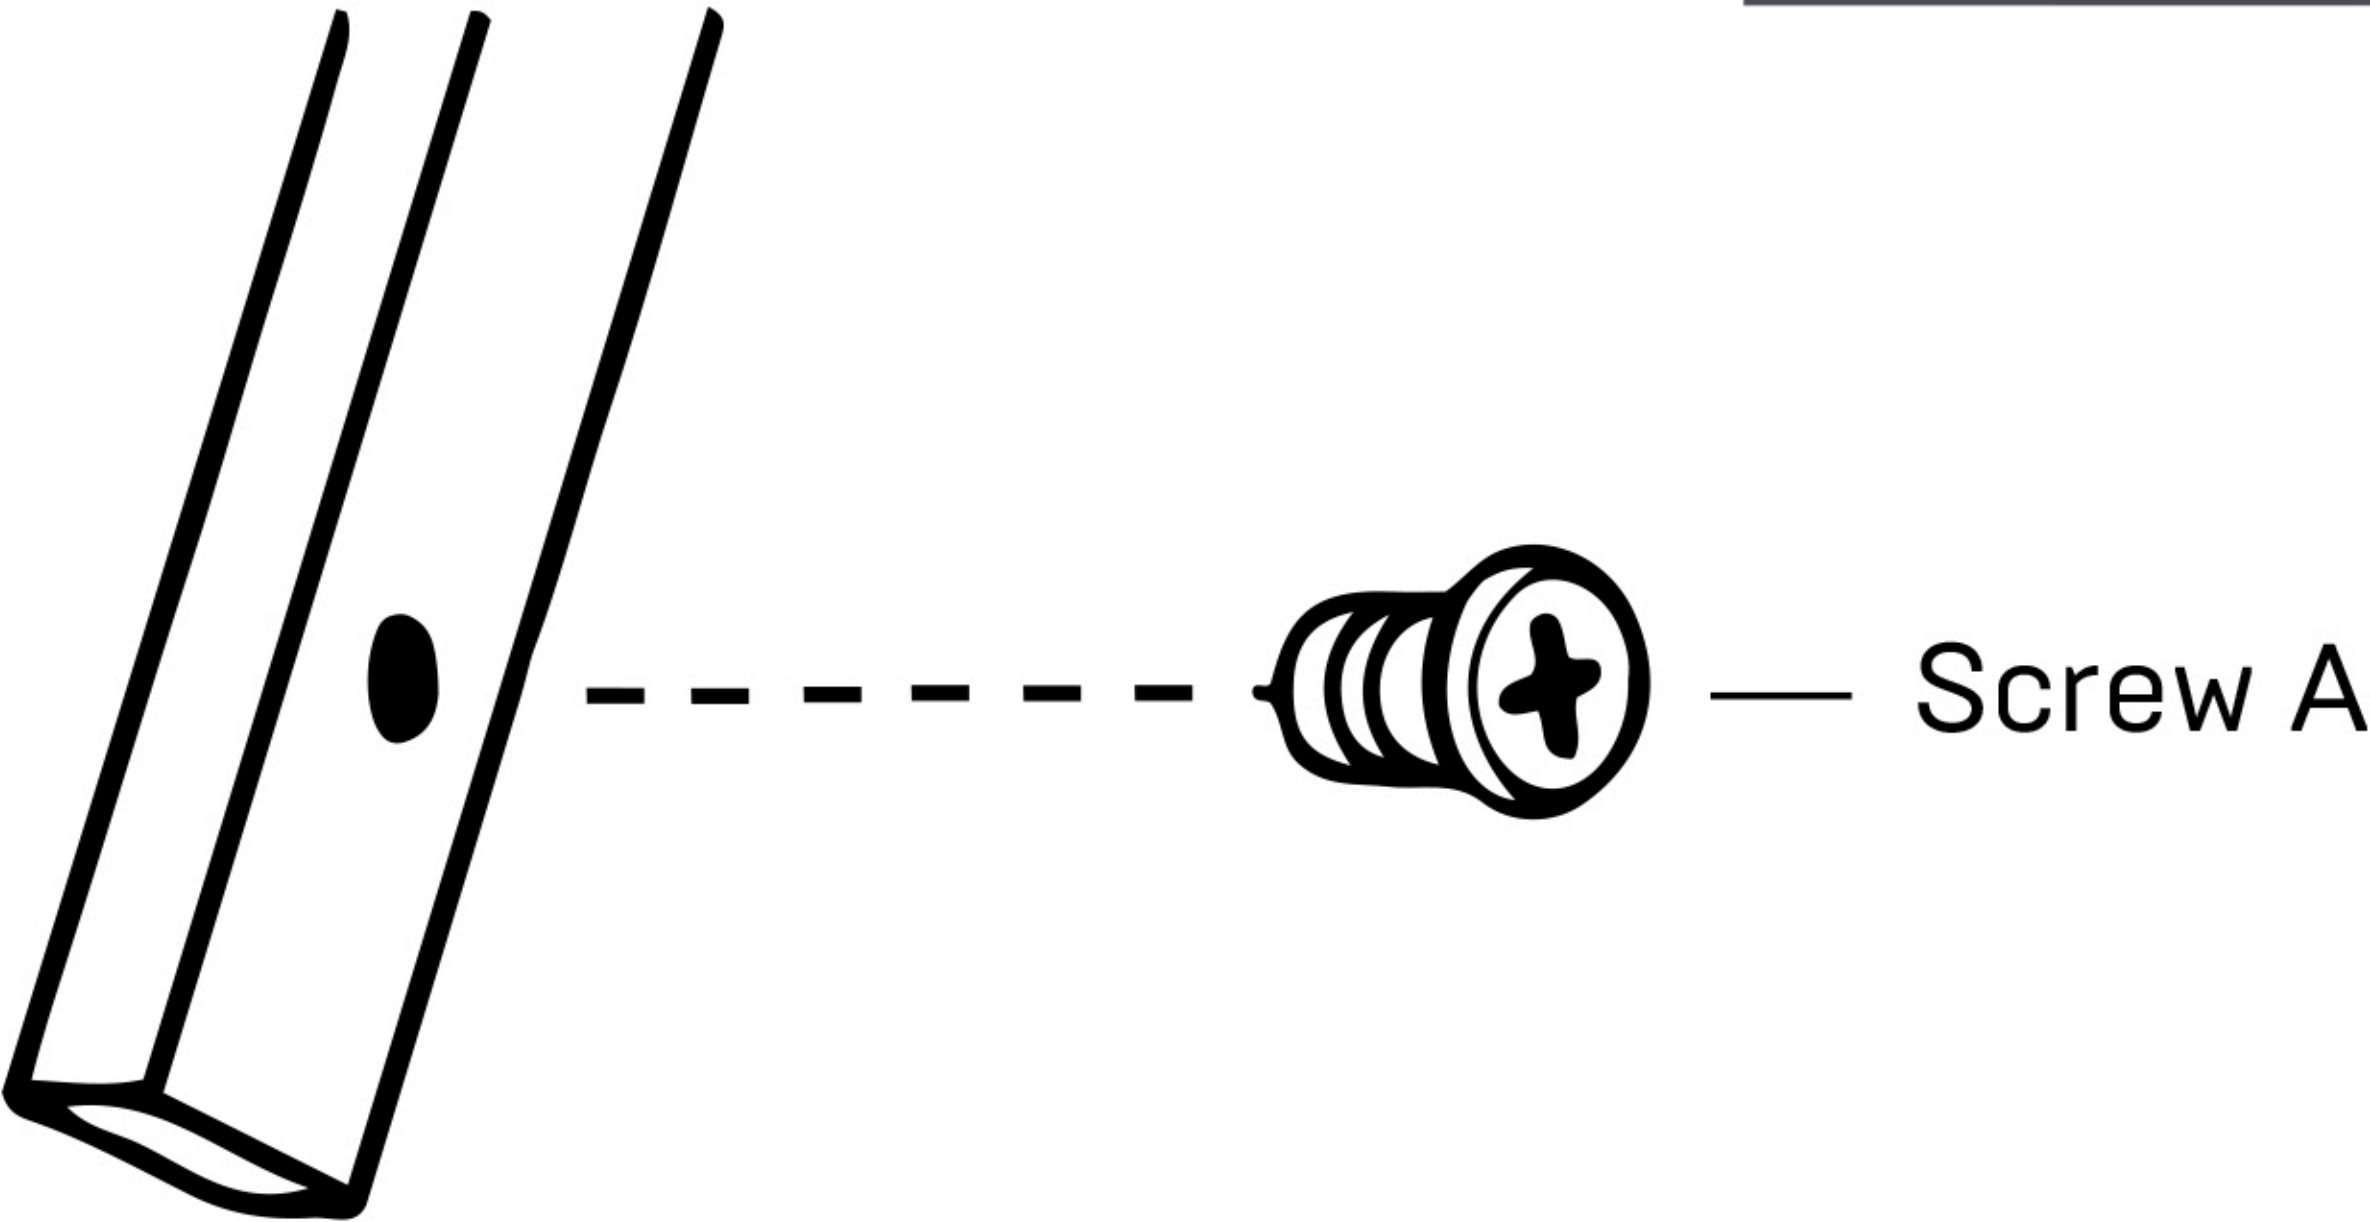

## Care and maintenance

Wipe clean with a soft, damp cloth. Do not use scourers or cleaning agents containing abrasives (such as powder cleaners), as this will damage the surface finishes.

# Frame Assembly Instructions

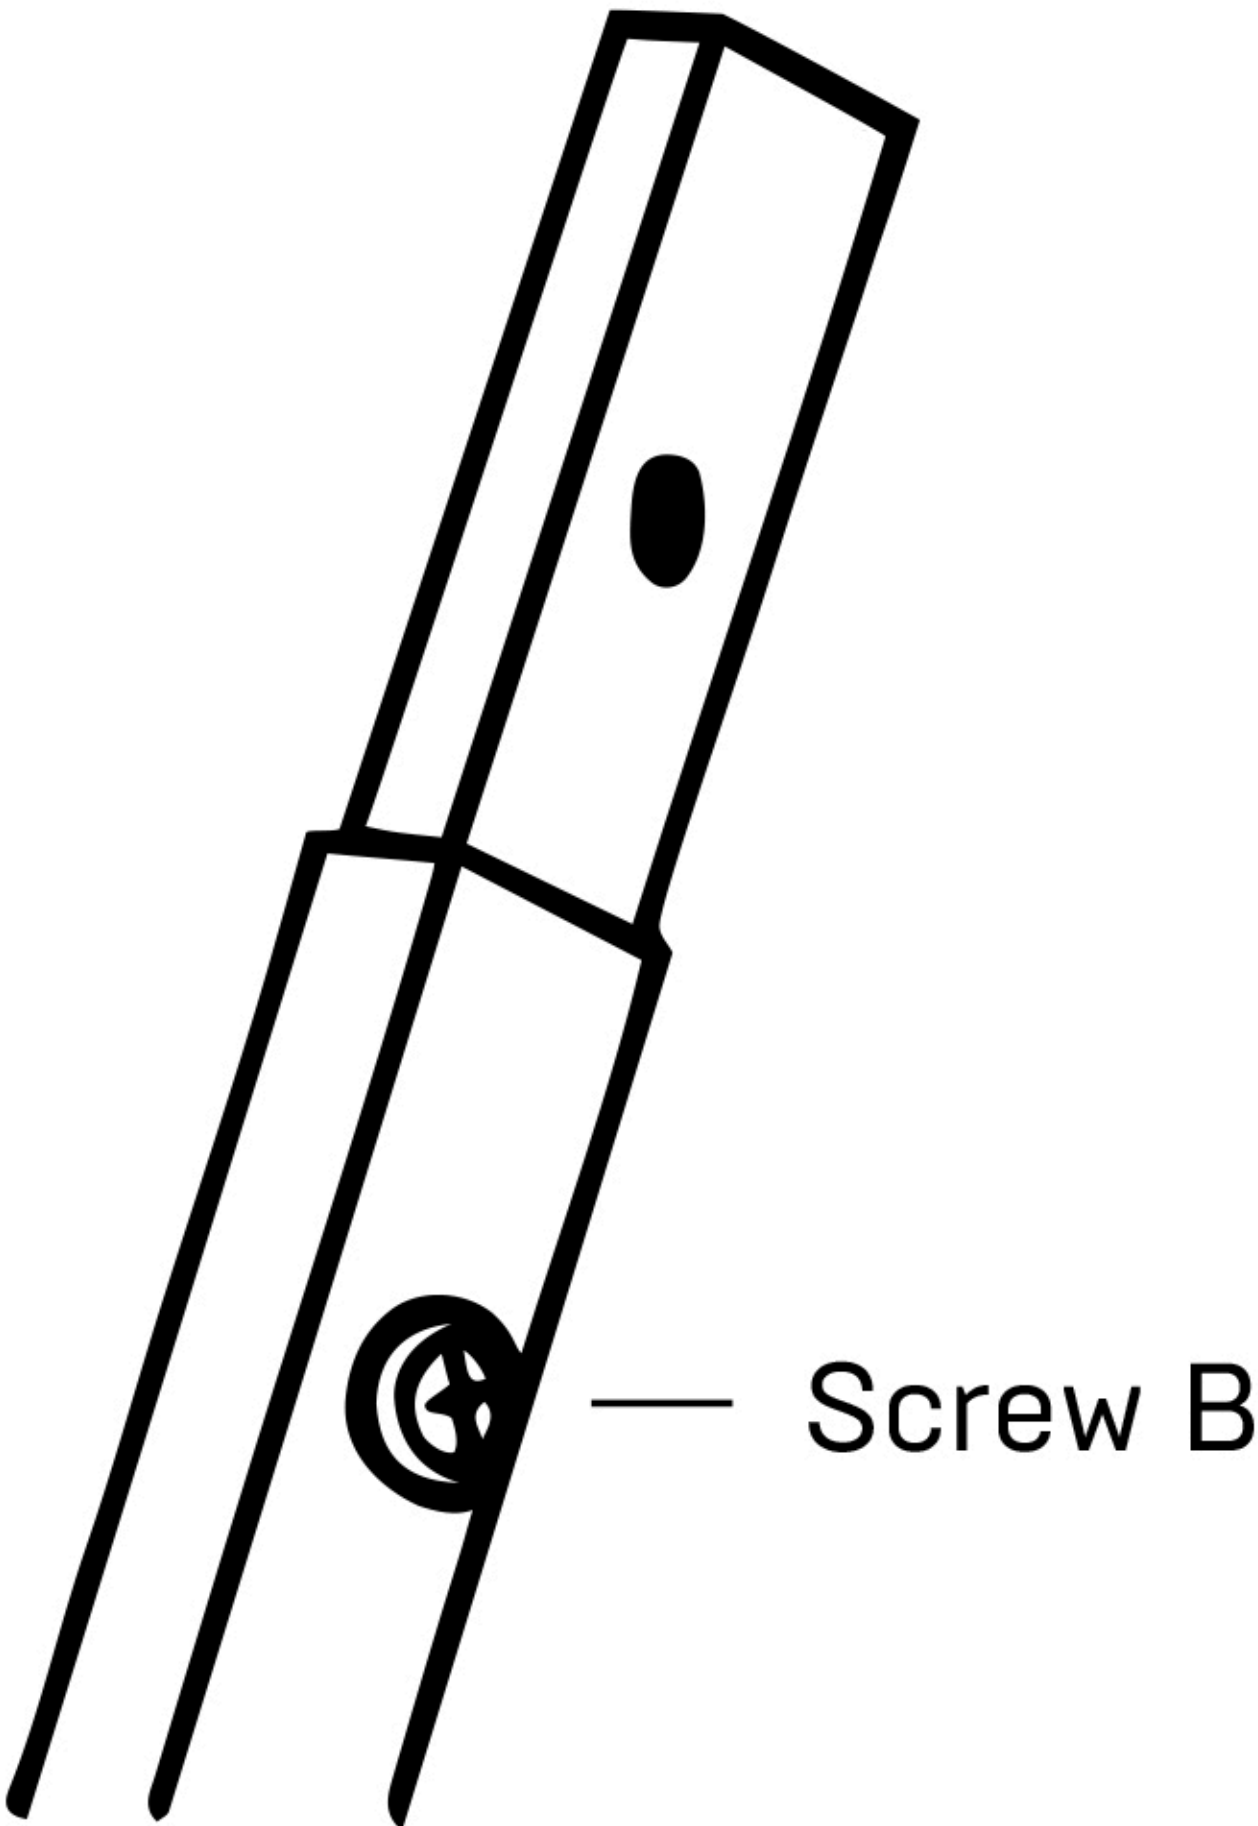

Yamazaki

If experiencing difficulties assembling the outer frame, please follow the instructions below.

Screw B arrives already fastened. Back it out slightly. This will give the bracket some room to move.

Insert Screw A and rotate each screw a few times. Continue switching screws every few rotations, until both are firmly in place.

Please loosen the **Z** screws in order to align the X screw holes if you have trouble installing X screws.
