DESIGNER DOGGIE

Decorate my accessories!

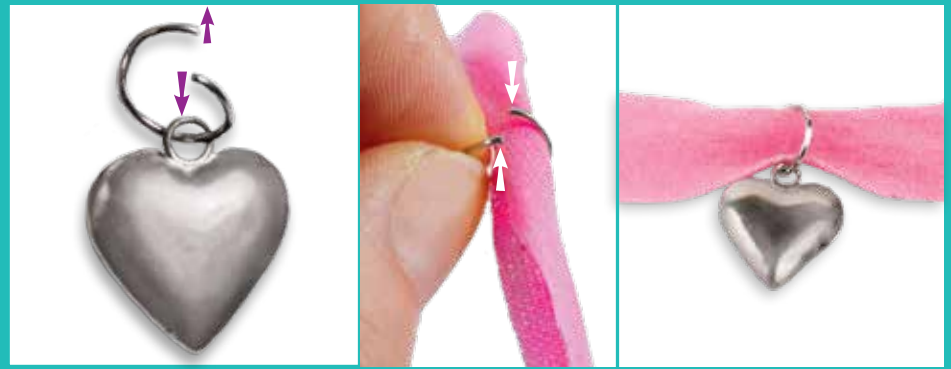

Decorate a cute carrier, cape & collar

Decide how you want to decorate the carrier, cape and collar. Just peel & press the felt shapes into place. Add some rhinestones too!
Save some of the smaller shapes & rhinestones to decorate the collar.

Heart Charm Ask a parent for help with this step

1. Twist the jump ring open and then place it over the velvet collar.
2. Twist it to close the gap.

If needed, you can add a dot of craft glue over the gap to seal it closed.

CREATIVITY counts

Creativity Can develop the skills needed to achieve lifelong success.
Creativity develops children's problem solving and critical thinking skills – it's the catalyst for invention, innovation and ideas that influence the future.

PROMOTES
sensory development

Collar

Decorate the collar with some of the small felt shapes and rhinestones. Add the two pink bows to the doggie's ears or collar. (see box for an example)

Designer Dog Tag

Think up the perfect name for your pet. Write it on the dog bone charm. Clip it to the bag.

Doggie Leash

Your doggie comes with a beautiful ribbon leash. Slide the end over the collar when you want to take your doggie for a walk.

Ready to go!

Tie on your puppy's cape, put her in the designer carrier and you're ready to go.

When you're not using the accessories, you can store them in the designer doggie carrier.

Note: If your dog or accessories should become dirty, spot clean with a damp cloth.

Machine washing is not recommended.
