

CERAMIC BIRDBATH

Review all assembly and care information before using this product. Save this manual for future reference.

Assemble components on a soft, clean surface to avoid damaging the finish.

Inspect packaging to ensure all parts are accounted for before disposing of packing materials.
 Save the packing slip.

No.	PARTS	QTY.
A	Bowl*	1
B	Pedestal*	1

*Style may vary.
 Drawing is for visual reference only.

NOTE: Color and texture variations on glazed ceramics is normal. The natural characteristics of clay, ingredients and colourants used when mixing each batch of glaze, as well as the dipping, drying and firing processes lead to variation in color. No two glazed ceramic pieces will be identical. Variations in colors and textures are not a cause for return.

CHOOSING A LOCATION

Before assembly, carefully choose the location of the birdbath. Select a flat, level surface. If placing the birdbath on a rough surface, such as on decorative rocks, we highly recommended using a large stepping stone or paver to prevent chipping and damaging the finish.

If you need to move the birdbath, remove the bowl from the pedestal before doing so; lifting the assembled birdbath by the bowl may result in permanent damage to both parts of the unit.

ASSEMBLY

1. Gently place the pedestal in the desired location.
2. Align the notches on Bowl (A) with the grooves in Pedestal (B) and gently place the bowl onto the pedestal.
3. Gently but firmly twist the bowl to lock it onto the pedestal.

CLEANING

Cleaning 1-2 times per week is recommended.

1. Empty the old, stagnant water.
2. Wash the bowl using warm water and a soft cloth.
3. Thoroughly rinse the bowl with clean water.
4. Fill the bowl with fresh, clean water.

If you experience issues with the product or it was damaged during shipping, please contact our customer service team through one of the methods mentioned at the top of page 1. Please have the item number and order information ready to expedite response time.

SAFETY STATEMENTS & WARNINGS

- Do not install on uneven surfaces or loose soil.
- Disassemble the unit before moving; lifting by the bowl may damage the unit.
- Do not use a pressure washer, harsh chemicals, or abrasive materials to clean the unit.
- During freezing weather, empty the birdbath and store it indoors; prolonged exposure to freezing temperatures as well as sudden temperature changes may cause the birdbath to crack or break.

Any modification to the product or failure to follow recommended care will void the product warranty.

WARNING:

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
