3-BURNER BASE CAMP STOVE

WITH CAST IRON BURNERS AND STAND

_____ This steel frame camp stove features three 5,000-35,000 BTU premium cast burners with a 3/8" solid steel cooking grate welded on top for added strength. There are easy to use fuel/air mixture levers for optimum cooking performance. Includes solid brass fuel valves for durability and smooth operation. Heavy duty hose and regulator included. Detachable legs fit snugly into steel support tubes at each corner. Frame features a high temperature coating. Operates for up to 15 hours with a 20 lb. tank (not included).

ITFM#: 217-300 SIZE: 34.25" x 17.5" x 28.5" CASE: 1 UPC: 011319124820

WITH CAST IRON BURNERS AND STAND

Our Outdoor Stove with Stand is one of our best sellers...and for good reason! Two high-output burners give you anywhere from 5,000 to 35,000 BTUs per burner. This means your stove has the finesse to cook 2 eggs over easy at the campsite, or the power to cook a pot of chili at the local cook-off! Our heavy-duty, free-standing, steel frame design is constructed with high temperature coating, and gives you enough room for 2 full size pots or pans.

BULK-TANK-TO-APPLIANCE **HOSE & REGULATOR**

To connect your Stansport #208 and #209 cast iron burners to a 20 lb "BBQ" style propane cylinder, you'll need a hose and adapter. Our tank-to-appliance hose includes 5"cableofcableandabuilt-in regulator to cast iron burners to 20 lb. propane tanks. Our type 1 fitting easily attaches easily to the latest 20 lb cylinder outlets. Better, we've constructed all of our fittings from solid brass for safe, leakfree connections. Happy cooking!

PROPANE CONVERTER

This propane converter will allow you to use your old liquid-fuel camping stove with more convenient propane. This small device is pressure regulated with brass fittings for safe and consistent performance over many years.

BRASS PROPANE STOVE PRESSURE REGULATOR

In the event that you need to replace the regulator in your propane stove, this product safely regulates propane pressure and fuel flow from a 16.4 oz cylinder. The replacement regulator may also be used with a 20 pound bulk BBQ style tank (connecting hose required). It can be used with the following Stansport stoves: 200, 202, 203, 203-93, 203-100, 204, 205, 205-300, 206, 212.

TEM#: 189-100

FUEL POST

_____ Attach two 16.4 oz. cylinders and power either a regular tabletop propane appliance, or a larger appliance using a QCC-1 connector or both at the same time! With two 16.4 oz. cylinder fuel sources you can change out empty cylinders while staying connected. Auto shut-off valves at each outlet. Corrosion resistant brass valves.

20 LB. PROPANE TANK FUEL GAUGE

Any RV, camping, or home grilling enthusiast will appreciate this replacement propane gauge that monitors fuel levels on 20 lb grill tanks, with or without appliance attached. The QCC-1 fitting fits all new propane bulk tanks.

STEEL CAMP GRILL - LARGE

Our heavy-duty camp grill is constructed from heavy steel mesh, providing a durable cooking surface that heats evenly and is easy to clean. Great for cooking with pots, pans, kettles, and griddles. The compact size does not take much room around the fire, and it folds flat for storage and transport.

SIZE: 41.75" × 18" × 9.25" COOK AREA: 36" × 18"

HEAVY-DUTY **ROTISSERIE AND SPIT** CAMP GRILL

Nothing cooks large cuts of meat more evenly, and with more medieval style, than a rotisserie. Our heavy-duty model is made from sturdy steel, and includes a stainless steel rotisserie spit. It's flexible - with a spit that locks in multiple positions, and the entire assembly can be adjusted up 44" high. And for campfire cooks who like to multitask, two removable steel arms will hold pots, kettles and other backcountry cooking accessories.

FM#:613-200

CAMP GRILL

If you are a hard-core campsite cooker, this grill is the cooking tool for you! Powered by 3/8" diameter steel rods that support up to 300 lbs. It's not only the strongest grill rack we make, the heavy steel mesh provides a durable cooking surface that heats evenly and is easy to clean.

HIGH-POWERED 2000 TACTICAL FLASHLIGHT CREE® LED LUMENS

Stansport

From the home to the campsite, the garage to the boat, the car to the backyard... our aluminum tactical flashlights get the job done! A Powerful Cree bulb puts out 2000 lumens to light your surroundings with clarity! Features three modes: High beam, low beam and flashing. Small enough to carry in your pocket, but bright enough for the darkest corners. You'll never be left in the dark again. Uses 9 AA Batteries (included). Runtime up to 72 Hours.

From the home to the campsite, the garage to the boat, the car to the backyard... our aluminum tactical flashlights get the job done! A Powerful Cree bulb puts out 500 lumens to light your surroundings with clarity! Features three modes: High beam, low beam and flashing. Small enough to carry in your pocket, but bright enough for the darkest corners. You'll never be left in the dark again. Uses 3C Batteries (included). Runtime up to 72 Hours.

HEAVY DUTY TACTICAL FLASHLIGHT CREE® LED

From the home to the campsite, the garage to the boat, the car to the backyard... our aluminum tactical flashlights get the job done! A Powerful CREE XPG bulb puts out 300 lumens to light your surroundings with clarity! Features three modes: High beam, low beam and flashing. Small enough to carry in your pocket, but bright enough for the darkest corners. You'll never be left in the dark again. Uses 3 AAA Batteries (included). Runtime up to 120 Hours.

TFM#:103-250

38

Illuminate your campsite, garage or worksite with this heavy duty, multi-mode lighting solution. Powered by a blistering Cree XPG LED and machined from durable aluminum, this flashlight conceals a surprise. Just pull the top open, and it converts to a lantern area light! Three AAA batteries included drive 300 lumens of bright light for a variety of uses. Runtime up to 48 Hours.

300

LUMENS

LED FLASHLIGHT

What better way to pay tribute to the hunting tradition than these cleverlystyled flashlights! This light looks like a classic shotgun shell, but conceals a powerful 40-lumen LED lighting system. Though they may look like "novelties," these lights are constructed of aluminum. making them both seriously lightweight and strong. Available in green, red or black, they're powered by 3 AAA batteries (included). Sold in a 12 pack PDQ.

LUMENS

HIGH-POWERED - CREE LED HEADLIGHT

This headlamp packs a whopping 300 lumens of bright light, powered a high-performance Cree LED module. An adjustable focus knob provides different beam patterns ranging from pencil thin to a broad, bright wash. Features four different lighting modes of low, medium, high and flash. Powered by three AAA batteries which are included. Head strap is adjustable for a cozy fit. Runtime up to 24 Hours.

300

LUMENS

SOLAR DYNAMO **EMERGENCY** FLASHLIGHT

Never worry about checking your batteries again with our dynamo flashlight. An efficient hand-crank charges the built-in lithium ion batteries for bright light at night, and a built-in solar panel takes over during the day. Our durable plastic design is ideal for including in an emergency-preparedness kit, or adding to your regular rotation of outdoor gear.

CAMPERS **MULTI-FUNCTION** 40 LIGHT LUMENS

This is one of the most functional lights you'll ever find. 24 front facing LEDs let you use this as a lamp, and 4 forward facing LEDs let you use it as a flashlight. Use the magnet on back to attach to metal surfaces, or the built-in hook to hang in a tent. Small enough to fit in your pocket and contoured body for easy gripping. Uses 3 AAA Batteries (not included). Runtime up to 120 Hours.

IGHTING

INDOOR/OUTDOOR INSECT ZAPPER & LANTERN COMBO

An ultraviolet LED attracts insects, luring them into an electrified grid where they are painlessly exterminated. This 1000 volt grid maintains power for up to 18 hours. The lantern provides 180-lumens of LED light, and includes low, medium, and high settings. Includes a 24 inch USB to micro USB charging cord, so you'll never worry about batteries. Water resistant for easy cleaning.

HIGH-POWERED HURRICANE LED LANTERN

Own the classic look of a gas lantern with the convenience and safety of an LED. Our 9" LED lantern combines an advanced LED light in a classic "oil lantern" design. A wide-ranging dimmer switch allows for mood lighting or up to 65 Lumens of high intensity lighting. Powered by 4 'AA' batteries, the LED. Runtime up to 96 Hours.

50 LITER SUMMIT INTERNAL FRAME PACK

When you like to head way out into the backcountry, a little pack won't cut it. This pack has enough storage space for days of backcountry hiking, and hitech features to lighten your load. A zippered sleeping bag compartment divider keeps your sleeping bag lofted and separated from the rest of your gear, but easily accessible through a zippered sleeping bag access panel. Our max flow suspension system moves the load off of your back, and provides a cooling breeze. And, if you like to rock out while you hike, our adjustable lid features media port for your headphones! Also, comes with a high visibility rain cover and emergency whistle built-in so you're ready for any situation.

ADJUSTABLE SUSPENSION FRAME PACK

With our 70+10 liter pack, you'll be able to haul all the comforts of home deep into the wilderness, all without a sore back! Our Stansport internal frame system is built around a plastic frame sheet, and stiffened with metal frame stays. We combine this secure foundation with our adjustable suspension torso that adjusts from 15" - 21" to move the load off of your back and give you full ventilation by adjusting to your body size. Our breathable padded shoulder straps and waist belt keep your shoulders and hips as cool as your back, without chafing or pinching. If you're going to carry a high-volume, heavy load into the woods - this is the pack for you! Also, comes with a high visibility rain cover and emergency whistle built-in so you're ready for any situation.

REFLECTIVE DAY PACK

_____ Our reflective daypack combines the simple functionality of a daypack, with high visibility safety features. Constructed of durable 600 Denier polyester, our pack is a bright safety orange. The vivid orange is visible in the woods during hunting season, and stands out well in urban environments too. For extra visibility, we've added reflective tape, which makes the bag easy to locate, and highly visible if you're using it for neighborhood biking, running or as a school bag. Of course, a large main compartment is sufficient to hold plenty of emergency supplies, clothes and gear.

SUSPENSION MOSQUITO NETTING

Bugs and sleep are two things that don't mix. Keep bugs out of your camping space with our lightweight and compact mosquito net. This net provides roomy and complete protection and is essential for campers, backpackers, and travelers to areas with mosquito born diseases. Reinforced edges and corners and 4 loops for suspending net make this next flexible and usable in many different situations.

MESH INSECT JACKET AND PANTS

This fully protective mosquito suit that is perfect for camping, fishing, gardening, and travelling. Suit includes a full hooded jacket and pants which provide an unparalleled level of protection from all annoying insects. Polyester mesh allows breathability, it can also be sprayed with insect repellant to add another level of protection. A zipper allows the suit to be used without the full hood.

HAND CHAINSAW

This portable saw has a 25-inch chain with 11 bi-directional teeth anchored to multipurpose paracord handles. The flexible, self-cleaning design cuts through branches, logs, and even whole trees. The paracord handles provide a strong, comfortable grip, and each handle also doubles as a source of up to 16" of paracord! We've included a polyester case with belt loop and buckle closure.

The perfect size saw for outdoor adventures of all kinds. The tempered steel blade is durable and holds a great edge. Our unique cross-cutting design speeds up work by sawing in both directions. A durable, lightweight plastic handle locks the blade securely in place when you're ready to saw.

FINGERTIP **WIRE SAW**

Bring the one saw that fits in the palm of your hand. This tiny wire saw is made of durable steel wire and is designed to cut in any direction. This fingertip saw will cut wood, plastic, and bone in an emergency making this an essential survival item.

3-PIECE **PLASTIC OARS**

Canoes aren't nearly as fun without oars. This pair of oars are made of high impact plastic and float, so you'll be ready for nearly anything. Each oar screws together, making for easy and compact storage. They are 49" in length and come with rubber keepers.

RAIN GEAR

STEEL TOE **KNEE BOOT**

Serious conditions demand serious protection. With our steel toe knee boots, you'll get tough protection from wet weather and crushing hazards. Constructed of one seamless piece of seamless PVC/polyurethane, our boots feature a durable steel toe that meets ANSI Z41.1-1967/75 (R1972) requirements for ultimate protection. Underfoot, you'll appreciate a the stiffness and stability our built-in shank supplies, and when conditions get slippery, the skid resistant sole will keep you upright.

<u>_____</u>

EMERGENCY SURVIVAL **SLEEPING BAG**

With our emergency sleeping bag, you'll always have a warm dry place to spend the night - in your pocket! This bag is made from an aluminized polypropylene material that is sure to keep you warm. It's so light and reflective, it can also used as emergency ground cover or reflector. If you're a hiker, hunter, camper, kayaker, or any kind of outdoor adventurer, you'll want to stow one of these bags in your emergency kit.

ITEM#: 649 SE: 144/12

POLARSHIELD **EMERGENCY BLANKET**

This compact, lightweight emergency blanket packs a tremendous amount of assurance into a small package! This blanket is made from an aluminized polypropylene material that is sure to keep you warm. This efficient, lightweight blanket resists water and retains up to 90% of your body heat, to provide emergency protection in all weather conditions. Unpacked, our blanket will not crack, mildew or shrink, so it's ideal for including in emergency preparedness supplies.

EMERGENCY BLANKET

If you canoe, 4-wheel, hunt, hike, drive or just go outside - this is an essential item! With our Polarshield Emergency Blanket, you'll always be prepared for an emergency or a change of plans. The underlying space age technology of this blanket reflects your body heat back to you - keeping you warm. Since it's wind-proof, waterproof, durable, and equipped with grommets, this blanket can also serve as a shelter. Better, it also features highly visible orange and reflective surfaces for use as signaling tools.

ASSORTED **TRIAGE TARPS** - SET OF 4

Ground cloth? Boat Cover? Picnic shelter? Our triage tarps do it all. The rip-stop polyethylene is laminated on both sides with a 6 millimeter 10x10 weave, and boasts a rope-reinforced edge. For maximum versatility, we've added heavy-duty, rust-resistant grommets every 3 or 4 feet. These colors also meet standard triage procedures for first responders.

EM#: T-1620-A UT SIZE: 16' x 20 NISHED SIZE: 15' 4" x 19' 8" PC: 011319888913

POLARSHIELD **EMERGENCY TENT**

With our light, compact emergency shelter, you'll never be without a warm, dry place to crash. Made of a metalized polyethylene film, the triangular cross-section of this shelter reflects up to 90% of your body heat, making the most of your precious warmth. The metalized film is also highly reflective, so it's easy to find in an emergency situation. This shelter is so well-constructed, that it can be used as primary tent while camping, hiking, fishing, and light enough to keep you, your car, boat, or bug-out bag in case of emergencies.

PORTABLE **FOLD-A-STOVE** _____

Get back to the basics with this ultra-light, ultra-simple foldable backpacker's stove. Made from durable plated steel, it's so light and compact, you'll barely notice it in your pack. Our backpacker stove includes 8 solid fuel tablets that burn for 9 minutes each.

ABLETS: 1.75" x 1.75" x 0.25 PC:011319133310

TOLL FREE: 1.800.421.6131

3-WICK **SURVIVAL CANDLE**

This survival candle is both light weight and compact. It can be used with one, two or all three wicks for maximum light and heat. The candle provides up to a maximum of 18 hours of protection. Built with a sturdy metal case, and filled with paraffin was, this candle is perfect for all the elements outside no matter the adventure.

SOLID **FUEL TABLETS** ______

Our replacement solid fuel tablets work with our folding backpacking stove, and many similarly sized solid fuel stoves. These tablets also serve as excellent fire starters at home and at camp, and are an essential item to include in emergency preparedness kits. Our solid fuel tablets light easily, and burn with a bright, clean odorless flame for 9 minutes each.

Our gel handwarmers are fast-acting and easy to use! Simply snap the metal disc to start the heating reaction. Once fully activated, each hand warmer will heat up to 130F. To recharge, boil in water for 10-15 minutes until the liquid becomes clear. Each hand warmer will generate heat for 60 minutes. Great for keeping warm while camping, fishing, at sporting events, or any other outdoor activity.

Our gel handwarmers are fast-acting and easy to use! Simply snap the metal disc to start the heating reaction. Once fully activated, each hand warmer will heat up to 130F. To recharge, boil in water for 5 minutes until the liquid becomes clear. Each hand warmer will generate heat for 25 minutes. Great for keeping warm while camping, fishing, at sporting events, or any other outdoor activity.

Our Instafire is a versatile and easy-to-use charcoal

briquette starter for grills, camp stoves, charcoal chimneys and RV Parks. Made from recycled wood, volcanic rock and a patented blend of food-grade paraffin wax - no harmful chemicals or vapors.

TEM#: 90-02533 SIZE (PER PACK): 4.75" x 7" x 0.75"

12 WATERPROOF **FIRE STARTER STICKS**

Our fire starter sticks help to get your campfire started quickly and safely. They are non-toxic, leave no odor and burn completely. They are easy to store and pack, and are waterproof for worry free lighting. Great for backpacking and camping.

EMERGENCY WHISTLE WITH MEDICAL ID FORM

Finding help is crucial in responding to emergencies in both the backcountry and the frontcountry. Our emergency whistle lets you attract attention in a hurry, and includes a waterproof compartment for vital information. We've included a convenient "In Case of Emergency" form listing emergency contact info, room to list allergies, conditions, medications, etc. The entire package is constructed of strong and durable aluminum and includes a carabiner for easy attachment.

EM#: 227

PLASTIC EMERGENCY WHISTLE - 2 PCS.

A whistle is an essential item for travelers, outdoor enthusiasts and urban adventurers. Our plastic emergency whistle is the simplest, lightest solution to your emergency alert needs. The lightweight plastic construction is rust-proof and durable. The high-vis neon color is easy to locate quickly. Our design excludes the "pea" that's a common source of failure for other whistles. At 0.4 oz. in weight, this product is light enough to disappear into your backpack, purse or suitcase.

AM/FM RECEIVER EMERGENCY RADIO

During emergency situations, AM radio is one of the most reliable sources of information. With our ultra-slim emergency AM radio, you'll be prepared to receive crucial information in the event of natural disasters and other emergency situations. This compact model is powered by 2 AA batteries (not included), and is ideal for inclusion in your emergency-preparedness kit. Also features a headphone and DC power jack.

EMERGENCY FM | WEATHERBAND **DYNAMO RADIO** WITH LED LIGHT

_____ This hand-crank radio offers multiple ways for you to stay in touch and stay safe during an emergency situation. After charging the radio's built-in battery through hand cranking, you will be able to listen to the radio, use the DC output to temporarily power a cell phone, emit an 85DB emergency siren, or use the radio's 4 Lumen LED flashlight. It can pick up all local AM/ FM and WB radio stations and includes USB charging cable for your phone.

IZE: 4.75" x 3" x 1.75" ASE: 24/12

HANDHELD SOLAR | DYNAMO POWERED **FLASHLIGHT WITH RADIO**

In a disaster or severe weather incident, you'll need reliable lighting, and a way to stay connected to the world and receive information and updates. With our combination flashlight and AM/FM and WB radio, you'll stay connected and illuminated, even if the power is out. The included crank dynamo and USB charging port mean you'll never be without a convenient source of power. The LED light packs 27 lumens of illuminating power, and the entire product is encased in lightweight plastic housing with a rubberized outer finish.

FLUORESCENT **SAFETY VEST**

In order to be safe, you need to be seen. Our one size fits all vinyl safety vest keeps you visible on the jobsite, on the hunt, or in emergency situations. Our vest is constructed from fluorescent orange vinyl, for maximum visibility and durability. It's generously cut, and closes with a drawstring, so it fits a wide range of sizes and over clothing of all kinds.

SLUICE BOX **HEADER & RECIRCULATING PUMP**

Sometimes, the best mining opportunities are far from moving water. When you're mining dry, you'll need a header pump to drive your sluice. Our recirculating header is built specifically to fit the Stansport # 583 Sluice Box. Constructed from durable aluminum, this header uses the power from a 12-volt battery (not included) to recirculate water for easy, efficient separation.

TOLL FREE: 1.800.421.6131

SLUICE BOX STAND

Set your sluice up for success with our durable, oversized stand. Designed specifically to fit the Stansport #583 Sluice Box, our stand is angled for optimal water flow in either a stream or with a recirculation pump. The height of the stand is completely adjustable, so you can tweak the flow rate for the most efficient extraction possible.

FOLDING SLUICE BOX STAND

Set your sluice up for success with our durable, folding stand. Designed specifically to fit the Stansport #581 and #582 Sluice Boxes, this stand folds down for easy transport, and features angled front legs that easily adjust to any terrain. With zinc-plated steel construction, our stand is both portable and rust-resistant, perfect for hard mining jobs. Two side locks hold sluice box firmly in place, making our stand a great choice for rough terrain.

The return of non-defective Stansport merchandise, when authorized, is subject to a 20% restocking charge. All claims must be made within 10 days after receipt of merchandise. No shortages are allowed unless reported within 10 days. Orders less than \$200 are subject to a \$15 handling charge. Credit cards accepted – subject to handling charge. Terms net 30 days – subject to credit approval. All orders billed either collect or prepaid F.O.B. Origin. Price subject to change without notice. Merchandise subject to stock on hand.

If shipment is received short from a carrier, then a freight claim must be filed immediately with that carrier. Our responsibility ceases when we receive the signed bill of lading. If a shortage occurs within sealed cartons, we must have a shortage report within 10 days of receipt of merchandise for verification. We are not responsible for any loss, damage, or pilferage in transit. Claims for same must be filed with carrier.

Finance charges of 1.5% per month will be assessed on any past due invoices. Rate is governed by individual state laws. In addition to the balance due and any late fee(s), account agrees to pay all costs and expenses of collection including but not limited to reasonable attorney's fees and court costs. No orders will be shipped to accounts past due 30 days. Both "Bill To" and "Ship To" are responsible for any unpaid invoices.

Pursuant to the state of California requirements, our materials and coatings cannot present an acute or chronic hazard to users from any available toxic substance, without proper labeling and warning. Despite these substances being present in very low amounts, actually measured in parts per million, the labels and warnings need to be present on the item and/or packaging. These products are safe and are generally regarded as suitable for their intended purpose. Many of our items will contain these warning labels out of an abundance of caution, to help placate larger retailers who request the warning labels. If you would like to further research the topic of Proposition 65 warnings, please visit: https://www.p65warnings.ca.gov. As always we stand by our products and assure that they will not cause our customers harm, as long as they are used with all stated safety and proper use precautions.

RETURN MERCHANDISE POLICY

COD & CBD ORDERS

All COD & CBD orders must be processed with a Cashier's Check, Money Order, Certified Bank Check, Cash, Visa or Mastercard. Processing fee s apply. Company and personal checks WILL NOT be accepted unless approved in advance by authorized personnel.

SHORTAGES

PAST DUE ACCOUNTS

CHANGES

All prices, specifications, packages, and put-ups are subject to change without notice.

WEIGHTS AND MEASURES ARE APPROXIMATIONS AND MAY VARY DUE TO THE MANUFACTURING PROCESS.

Giving Back to Our Local Community!

In 2014, Stansport found a way to give back to local communities while encouraging youth to get outside and experience the outdoors. Stansport covers all costs incurred to provide the free event for families who may not be able to experience a night under the stars because of financial or personal hardships. Each child who attends gets a backpack filled with outdoor gear and goods, such as, compasses, sunblock, whistles, glow sticks, flashlights and headlamps. Additionally, each child and their parents get to go home with a new Stansport lantern, sleeping bag, and pack-lite sleeping pad. Stansport's goal in hosting this event each year is to encourage children and their families to spend more time outdoors and experience the joys of camping.
