JACKSON ESTATE®

Cloud Landing
2022 PINOT NOIR
PETALUMA GAP

Jackson Estate wines showcase our cherished vineyard estate properties located on rare, coastal California terroir of mountaintops, ridges, hillsides and raised benchland soils. This limited release allows our winemakers to emphasize the extraordinary terroir of our unique properties and craft very small lots for refined palates.

CLLOUD LANDING

Situated on the undulating hills between the San Pablo Bay and the Pacific Ocean, Cloud Landing is perched in the fog line more often than not, but still exposed to the persistent wind from the Petaluma Wind Gap. The grapes are challenged not only by the wind, but also the cool, long days that make this site ideal for developed flavors and natural acidity in Pinot Noir.
