

limited two year warranty

Your Drive branded product is warrantied to be free of defects in materials and workmanship for two years from the date of purchase for the original consumer purchaser.

This device was built to exacting standards and carefully inspected prior to shipment. This Limited Two Year Warranty is an expression of our confidence in the materials and workmanship of our products and our assurance to the consumer of dependable service.

This warranty does not cover device failure due to owner misuse or negligence, or normal wear and tear. The warranty does not extend to non-durable components such as rubber accessories, casters, and grips, which are subject to normal wear and need periodic replacement.

If you have a question about your Drive device or this warranty, please contact an authorized Drive dealer.
