ASSEMBLY & USE

SIT MODE:

Tip: Confirm that Urinal/Pot is securely in place on Base prior to use.

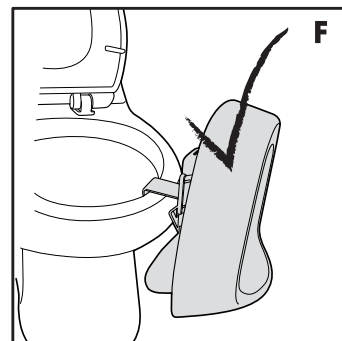

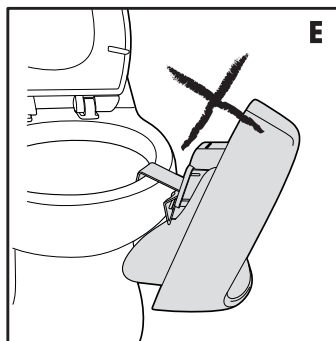

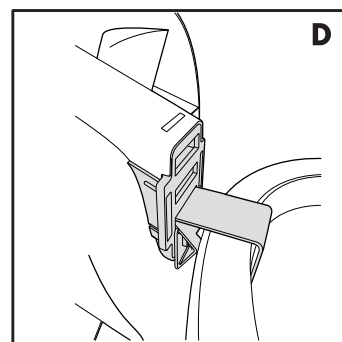

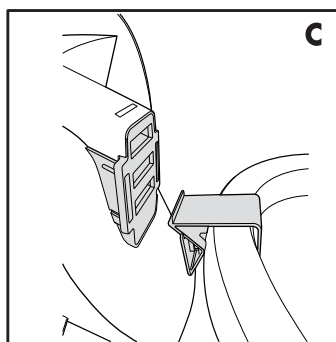

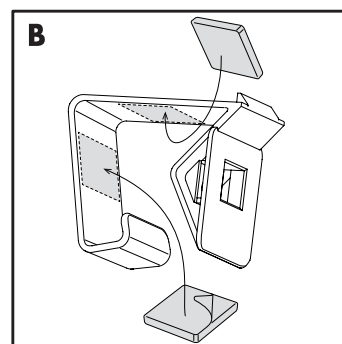

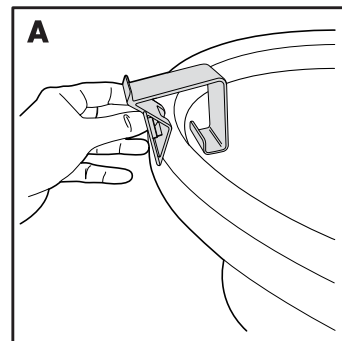

1. Help your child to sit on the seat.
2. After use, empty Urinal/Pot and wash with soap and warm water.

STAND MODE:

1. Remove Clip.
2. Snap Clip over rim of the adult toilet bowl with the hook side inside toilet. (Fig. A) **NOTE:** The Clip can remain on adult toilet when Urinal/Pot is not in use. The toilet lid will still close.
3. Test the fit to ensure that Clip is securely in place and leveled.
 - a. Optional Foam Spacers are included.
 - b. If needed for a secure fit, attach one Foam Spacer to Clip as shown. (Fig. B)
 - c. If Clip is still fitting too loosely, use the second Foam Spacer.
4. There are 3 slots on the back of the Urinal/Pot that let you adjust the height. (Fig. C & D) Use the slot that works best for your child's height.

NOTE: For optimal use, be sure the Urinal/Pot is not tilting too far in either direction. It should be as vertical as is possible. (Fig. E & F)

5. Encourage your child to "shoot" for the target inside the Urinal/Pot, this will help them learn to aim.
6. After use, empty Urinal/Pot and wash with soap and warm water.
