## Care & Maintenance

### **This furniture is designed for indoor use.**

All furniture requires regular maintenance to look its best and the Pouf is no exception. Your Pouf will last long without needing a great deal of attention. Whether you use your Pouf as a footstool, occasional table or casual seating, there are tips that can help keep your Pouf looking good.

### **To help protect your Pouf, follow these steps:**

- Dust regularly with a dry soft cloth
- Vacuum occasionally with a soft brush attachment
- Do not use a coarse brush or scrubbing brush as they can damage the fabric
- Blot spills immediately with a dry cloth
- If staining occurs, use a soft cloth with warm water
- Keep your Pouf out of direct sunlight so it does not fade or discolor
- If it can be avoided, do not place Pouf near heating vents, this will affect the filler and cause material to fade and crack
- Do not place hot items directly on top of the Pouf
