

# Wave 360

The highest degree of splash deflection

**Wave360 is high on performance and low on cost. This unique design performs for 60 fresh worry-free days.**

## Cleaner restrooms

Horizontal AND vertical protrusions deflect and diffuse more urine.

## Reduce labor

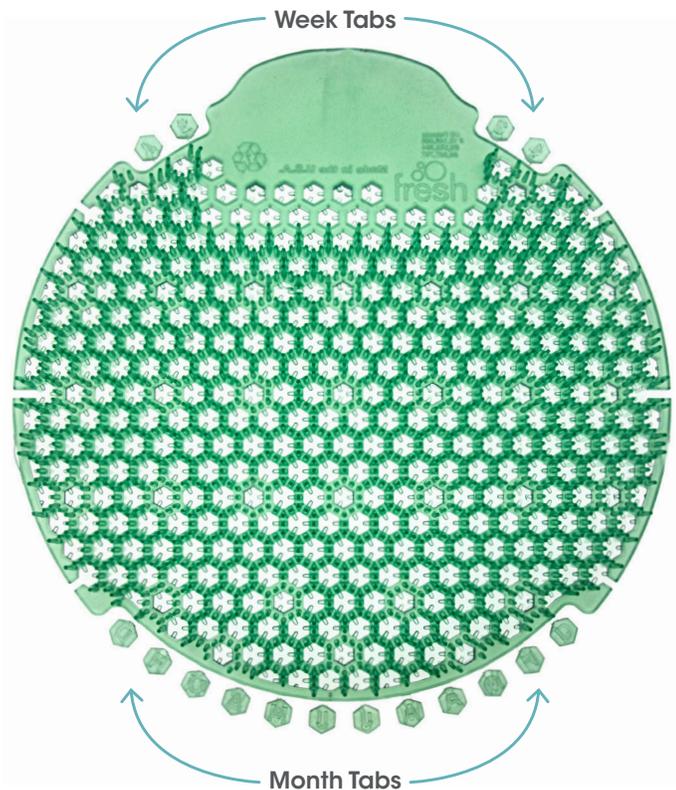

Less urine splash results in less cleaning time and the 60-day product life is half the change outs.

## Error-free installation

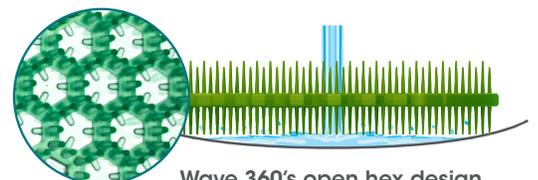

The patented dual-sided design stops urine splash on either side.

## Eliminates odors

Contains billions of beneficial bacteria that consumes odors and keeps drains smelling clean.
