

TASKI® Nano Mobile Work Station

TASKI® Nano Mobile Work Station Office & Cubical Cleaning

THE REVOLUTION IN PROFESSIONAL CLEANING

The TASKI® Nano Mobile Work Station is lightweight and compact, yet provides space to store everything the operator may need. The TASKI Nano Mobile Work Station Model N13 is a streamlined solution designed specifically for office and cubicle cleaning that can be customized to accommodate facility requirements.

Features & Benefits

- The TASKI Nano Mobile Work Station offers complete modularity, flexibility and durability for wet cleaning, pre-wetted cleaning and spray and wipe cleaning
- The intuitive and compact design provides a lightweight, ergonomic work station that is easy to maneuver and store
- A variety of different cleaning methods can be utilized providing flexibility to the operator
- The robust, all metal frame and high quality components provide peace of mind while helping to control costs
- Non-marking, locking 360-degree wheels increase maneuverability
- Color coded cloth box lids can be coordinated for different cleaning applications

Applications

- A complete cleaning system designed for office and cubical cleaning
- Ideal for use with the HHPC Day Cleaning Program
