

2023 CABERNET SAUVIGNON

SONOMA COUNTY

THE STORY

Our first, limited-edition label was inspired by the passion, energy and excitement of the NBA. Raise a glass and celebrate with Kendall-Jackson, **the official wine partner of the NBA.**

WINEMAKING PHILOSOPHY

For over four decades, Kendall-Jackson has remained relentlessly committed to producing only the finest quality wines from grapes grown in California's cool, coastal vineyards. We carefully match climates and soil types for each grape varietal and then guide each vineyard lot throughout the entire winemaking process.

KEY POINTS

- Cabernet Sauvignon lots are blended with Merlot and Malbec for richness and roundness and Cabernet Franc to lend structure and enhance mouthfeel
- Sonoma County mountain and hillside vineyards add black cherry flavors and structure
- Mendocino County mountain vineyards impart blackberry and mocha flavors and lengthy finish
- Artisan winemaking techniques, such as cold soaking and extending maceration were used to enhance and simultaneously soften the tannins, deepen color, and intensify flavors

TASTING NOTES

"Aromas of black cherry, currants, and plum, accented by savory hints of sage, cigar box, and bay leaf. On the palate, lush black raspberry, blueberry, and Bing cherry flavors unfold alongside warm baking spices, creating a rich and layered experience. Full-bodied and beautifully structured, with fine-grained tannins and a long, lingering finish."
