

## MP61WH SURGE COMBO PACK

### Safeguard your equipment from damaging power transients

The Cyberpower Surge Protector MP61WH combo pack comes with two three-outlet surge protector strips, and one two-outlet wall tap surge protector. Each surge protector in this combo pack provides protection to prevent damaging power spikes and surges from reaching your small electronics. These surge protectors include USB ports to quickly charge USB-powered devices, including tablets.

Additional features of the MP61WH combo pack include metal oxide varistor (MOV) technology, a Power ON LED indicator (wall tap only), a braided power cord (strips only), and impact-resistant casing. All three surge protectors come with a Limited Lifetime Warranty and a \$50,000 Connected Equipment Guarantee.
