

Power Gliding Recliner with Power Headrest

IMPORTANT NOTE

Read these instructions carefully, and familiarize yourself with each procedure before assembling the furniture. Check that you have all the component parts, and familiarize yourself with each part before proceeding.

Take all the fittings out of the plastic bag and separate them into groups. Ensure you have enough space to lay out all the parts before assembly. To prevent damage to the parts, we recommend that you assemble the unit on a soft, level surface.
