

3M Science.
Applied to Life.™

Versatile. Affordable. More sustainable.

Introducing:

3M™ Envision™ Print Film 48C-20R
3M™ Envision™ Gloss Overlaminate 8048G
3M™ Envision™ Matte Overlaminate 8050M

Get the versatility of 3M™ Controltac™ Print Film 40C in an affordable, eco-friendlier non-PVC version. It covers windows, walls, floors; signs, partial vehicle graphics and more, plus it's 100% printer compatible.

Go greener at 3M.com/Envision48C.

- ▶ One film does it all, indoors and out
- ▶ Greener, non-PVC solution at an affordable price
- ▶ Includes slide, tack, snap-up and air release for easy, bubble-free installations
- ▶ Film 48C and overlaminates 8048G and 8050M are GREENGUARD Gold Certified

Greener
Solutions

Versatility is in its nature.

Introducing the affordable, greener film that's a natural fit for most applications.

▲ Ideal for so many applications, this film does it all.

Non-PVC

A more sustainable film option to offer your customers — also available with non-PVC gloss and matte overlaminates.

Unmatched versatility

Reduce inventory with one film for windows, walls, floors*, signs, partial vehicle graphics and more, indoors and out.

Exceptional performance

Your best non-PVC intermediate film choice for amazing print quality, simple curve conformability, ease of use and consistency.

Quick, easy installation

The only non-PVC intermediate film on the market with 3M™ Controltac™ Technology for slide, tack and snap-up, and 3M™ Comply™ Adhesive for air release.

Fast, clean removal

Engineered with high tensile strength to resist tearing for fast, clean removal — even in cold temperatures.

Printer compatible

Designed for solvent, UV and latex inkjet printing, and UV screen printing.

Durable by design

Make a long-lasting impression with up to 5-year indoor and outdoor expected performance life (3 months on floors).

GREENGUARD Gold Certified

Film 48C and overlaminates 8048G and 8050M are certified for low emissions of volatile organic compounds into indoor environments. Low-emitting materials may contribute to LEED credits.

Warranty and Limited Liability. The following is made in lieu of all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose. All 3M products are warranted to be free of defects in materials and manufacture at the time of shipment and to meet the specifications stated in the film or media's Product Bulletin. Also see the 3M Graphics Warranties Bulletin, which gives the terms, additional limitations of the warranty, if any, and limitations of liability. Expected performance life is not a warranted period of time. For warranty information, visit 3M.com/GraphicsWarranties.

*When used with appropriate overlaminates that provide slip resistance. See 3M Product Bulletin 48C for a list of recommended overlaminates for floor applications.
