

# RESPIRATOR WIPES

Radians Made in the USA Respirator Wipes with 70% IPA will help keep your respirator mask clean and disinfected. Each pre-moistened towelette is saturated with a 70% IPA cleaning solution known for its antiseptic and disinfectant properties. Plus, they easily clean grease and oil from masks too.

The wipes are individually wrapped, so workers can conveniently carry them in their pockets for fast and easy cleaning of rubber respirator face pieces. They can also be used to wipe down other frequently used personal protective equipment.

## Respirator Wipes

# RW-100
