Solvent-Free Cleaner/Degreaser

High alkaline, solvent-free degreaser for industrial and food processing applications.

Features & Benefits

- Alkaline degreaser formulated to remove food soils, lubricating oils and greases, metal working fluids, shop dirt, inks, food based soils and rubber
- Solvent-free and low foaming which makes cleaning easier
- Penetrates industrial soils without solvents and contains no VOC's

Applications

- Use in autoscrubbing and mopping applications
- Pressure washing, immersion cleanings

Use instructions

- Hot tank and steam cleaning: 1:32 with hot water (180° F/80° C).

Mopping, Spraying or Sponge Cleaning

- 1:10 to 1:20 for heavy soils. For heavy soil loads, allow solution to penetrate soil for 3–5 minutes.
- 1:20 to 1:64 for medium soils.
- 1:64 to 1:128 for light soils.
- Automatic scrubbing machine: up to 1:128 depending on soil level.
- High Pressure Vehicle Washing: 1:32.

Special Handling

- Always wear appropriate personal protective equipment.
- For food plant and other industrial use.
- For painted surfaces, pretest in an inconspicuous area.
- Avoid contamination of food in the application and storage of the product.
- Before using this product in food processing establishments, food products and packaging materials must be removed from the area or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.
- When using on floors, position wet floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials

Materials Compatibility

- Aluminum, black iron, bronze, chrome, concrete, rubber, plastic, stainless steel, painted surfaces and porcelain.

Technical data	Tempest ^{TM/MC}
Certifications	NSF, CFIA, Kosher
Color	Green liquid
pH	12.95 (Concentrate) 12 (Use Dilution 1:10)
Scent	Surfactant
Shelf Life	2 Years

Product	Pack size	Dilution	Product code	
Tempest ^{TM/MC}	4 x 1 gallon / 3.78 L Containers	1:10 to 1:128	96272110

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
