

+ CarePod™ Wide Wall-Mounted Workstations

Putting Care Where It Counts™

Store essential supplies and electronic health record (EHR) equipment at the point of care with our space-saving wall-mounted workstations.

Combining secure storage with a fold-down work surface, the CarePod™ Wall-Mounted Workstation can be installed virtually anywhere—hallways, patient rooms, and more—so caregivers can work more efficiently, comfortably, and effectively.

and an RFID lock

Wide Wall-Mounted Workstations

With a slim, space-saving profile, CarePod™ Wall-Mounted Workstations are crafted from durable powder-coated steel to withstand heavy everyday use, cleaning, and disinfecting. Choose from two depths, two door styles, three paint colors, three optional laminate finishes, and three secure lock styles. Customize with additional accessories, sold separately.

Features:

- Two shelves, two vertical rails, and one retaining bar
- Two rear cutouts for access to 2-gang power outlets
- Two power cord pass-throughs on top right and bottom left (remove caps to use)
- Interior pre-drilled holes for mounting optional lock boxes and full-motion monitor mount
- Door auto-closes when weight is removed from work surface
- 6" depth model: Air vents, compatible with Programmable Cooling Fan (sold separately)

Secure Medical Supply Storage

Store what you need, where you need it. Having essential medical supplies, medications, and PPE at the point of care can **reduce medical administration time by nearly 50%*** and **save nurses almost an hour per shift.†**

The CarePod™ offers flexible shelving configurations, an array of accessories, and three secure lock options to accommodate any medical facility's needs.

// CarePod™ Wide 4"
Shown in Powder White with Driftwood laminate and keypad lock. Mini shelves, retaining bar, and accessories sold separately.

Slim EHR Storage

Save space and work in comfort with compact IT storage for a tablet, laptop, or a mini PC with monitor. Power cord pass-throughs and a rear access cutout, plus optional accessories, easily keep devices in place.

Coupling storage with a spacious, fold-away work surface, the CarePod takes up **78% less floor space than a traditional desk.‡**
