Omega High Speed Juicer with Large Chute, Black

Introducing the new Omega High Speed juicer, perfect for your daily serving of fruits and vegetables in seconds. The 1000-watt juicer is designed for fast, easy, efficient juicing. The juicer features a large 3-inch chute that fits larger pieces of fruits and vegetables, minimizing the cutting and slicing to reduce prep time. 2 speeds to accommodate a variety of produce from soft to hard to meet all your juicing needs. Equipped with a durable stainless-steel filter, this juicer delivers a fast and optimum juice extraction. With the included juice container with splash guard, you can juice confidently without making a mess. The accessories are dishwasher safe to ensure you spend more time juicing, less time cleaning. Here's to vibrant living.

- Features a large 3 inch feeding chute, to easily juice large pieces and vegetables, minimizing prep time.

- 2 speeds to accommodate a variety of fruits and vegetables from soft to hard.

- 1000 watts of power for strong performance
