

The diagram illustrates a 3D coordinate system with axes labeled x , y , and z . A point is plotted in the first octant, and a line segment connects it to the origin. A vertical dashed line is shown from the point to the xy -plane. A legend on the right lists x , y , and z with corresponding arrows.

The diagram illustrates a 3D coordinate system with axes labeled x , y , and z . A point is plotted in the first octant, and a line segment connects it to the origin. A vertical dashed line is shown from the point to the xy -plane. A legend on the right lists x , y , and z with corresponding arrows. A blue box with the text "40/50" is overlaid on the diagram.
