- Heavy-duty hand and nail brush guarantees cleaner hands than using soap and water alone
- Featuring a sturdy plastic body and soft, yet sturdy, nylon bristles
- Double sided brush featuring a wider bristle pad for scrubbing palms or larger surfaces and shorter, single row of angled bristles, perfect for cleaning under fingernails
- The ergonomic grooved body for better grip and user comfort
- Built-in magnet for easy storage on your metal toolbox or use the peg hole loop on the other side of the brush
