ROSPO TABLE LAMP

Assembly Instructions

ROSPO TABLE LAMP

Note:

- Requires no tool or wiring

Required Components:

- Lamp Body (A)
- Glass Shade (B)
- Bulb (C)

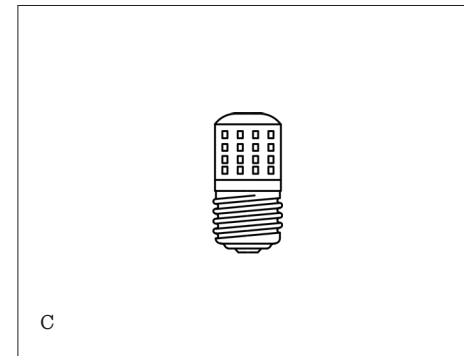

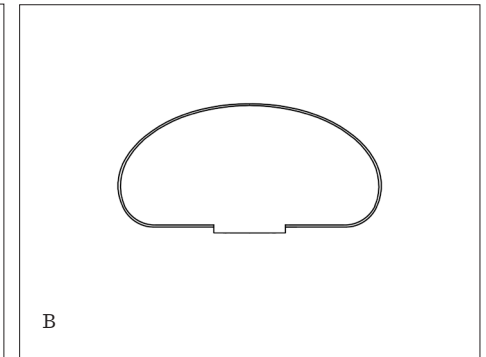

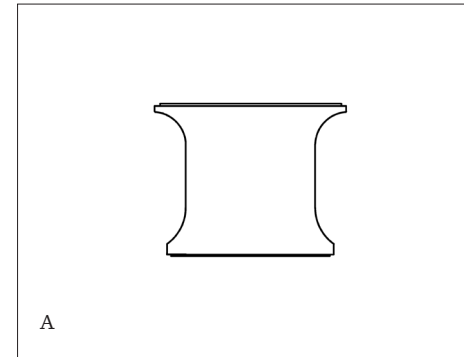

Care Instructions:

Wipe with soft dry cloth. Do not use cleaners that contains strong acid or strong alkaline.

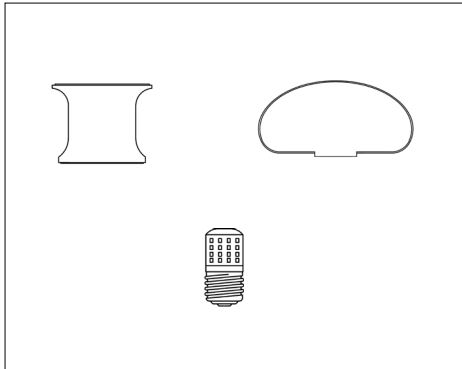

Warning:

This product is not a toy and has no play value. Do not expose to rain or snow. The Rospo Table Lamp is rated for indoor, dry locations.

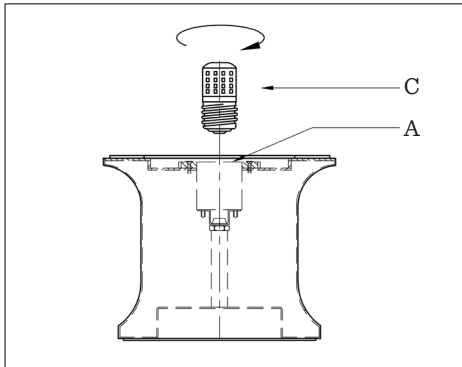

INCLUDED HARDWARE

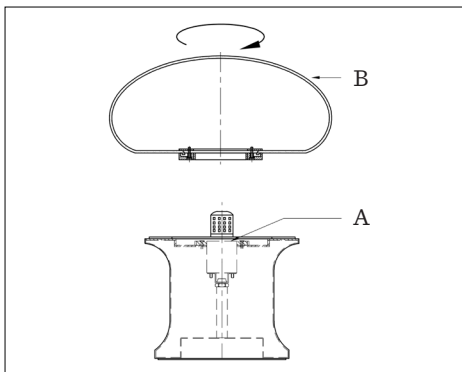

INSTALLATION INSTRUCTIONS

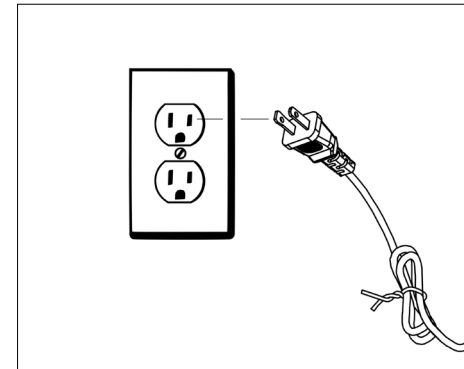

1. Remove items from carton.

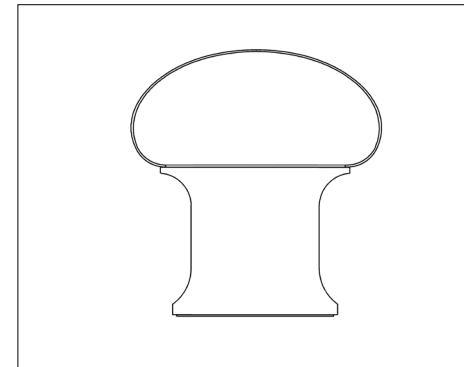

2. Lightly twist bulb (C) into socket located on the lamp body (A). Do not overtighten the bulb.

3. Screw glass shade (B) onto the lamp body (A), and adjust until level.

5. Insert plug into appropriate outlet, and turn on with the dimmer switch located on the lamp body (A).

6. Assembly is complete.
