

**DESCRIPTION**  
This is a white, crystalline powder, free from other visible impurities. It is soluble in water, forming a clear, colorless solution. The powder has a slightly granular texture and a faint, sweet odor. It is stable under normal storage conditions, showing no significant changes in appearance or odor over time.

Parameter	Value
Appearance	White, crystalline powder
Odor	Slightly sweet
Solubility	Soluble in water, forms a clear, colorless solution
pH (0.5% w/v solution)	6.5 - 7.5
Stability	Stable under normal storage conditions
Storage Conditions	Store in a cool, dry place, away from light and moisture
